## PART 1

Central Networks East Application Number **EMP/718** Date **16<sup>th</sup> October 2009**  
 To the Chief Executive **South Holland District Council** Planning Department

Dear Sir

**FILE COPY****Electricity Act 1989**

Application is being made to the Secretary of State for Energy for his consent to the development described overleaf. The Secretary of State will at the same time be requested to direct that planning permission for this development shall be deemed to be granted. The consent and the direction may be given subject to conditions.

To assist the Secretary of State to determine the application the District/Borough Council is requested to return to me two copies of this Form with Part I Certificate and Part II completed and signed with plans.

Department of the Environment Circular 14/90 (Welsh Office Circular 20/90)[Department of Energy Circular 1/90] describes this procedure and the reason for it.

Yours faithfully

For and on behalf of Central Networks East

## PARTICULARS OF PROPOSED DEVELOPMENT AND REPRESENTATIONS

(To be completed by Central Networks East)

Application is being made:

- (a) for consent under section 37 of the Electricity Act 1989 to install or keep installed an electric line above ground;
- (b) for a direction under section 90(2) of the Town and Country Planning Act 1990 that planning permission for the proposed development be deemed to be granted.

- 
1. Particulars of proposed development. (These particulars should be accompanied by such plans as may be necessary to enable the local planning authority to identify the land affected by the proposals and to appreciate the nature and extent of the proposed development and by a copy of the environment statement if the applicant has prepared one.)

**Building overhead electric line along side Dawsmere Road, the new line proposed will be supported by wooden poles with wire stays to support angles and terminal sections in the parish of Gedney with a tolerance of 30m either side of the route shown on the attached plan number K.05967.**

**The new high voltage line will facilitate the removal of the existing spur and form a circuit to allow back feeding of electricity thus reinforcing supplies.**

2. Particulars of any representations of objections which have been made to Central Networks East.
3. Particulars of the applicant's compliance with his duty under paragraph 1 of Schedule 9 to the Electricity Act 1989.

**Significant improvement achieved by replacing old, decayed equipment.  
There will be no trees or hedges destroyed during the construction of this overhead line.  
Improvement of reliability achieved by replacing old, decayed equipment.**
