Dear Sir

Planning Application H06/0833/03 – Erection of single storey side and rear extensions and erection of detached double garages – 7 – 8 Dawsmere Bank, Dawsmere – Mr T S Day.

I write further to amended plans received 1 October 2003.

To prevent a built up frontage along this part of Dawsmere Bank it is considered that the garages should be positioned further back than shown. This helps create a sense of space between the properties and thereby protect the character/appearance of Gedney Dawsmere Conservation Area.

In light of the above, can you please advise whether the applicant would be prepared to position the garages further back on site? The front of the garages should preferably be no further forward than the rear wall of the main block of the dwellings.

I look forward to hearing from you.

Yours faithfully

David Gedney

RE: ERECTION OF SINGLE STOREY SIDE AND REAR EXTENSIONS AND DETACHED GARAGES.
7 S. DARLWERE BANK, DARLWERE.

In respect of the above and with reference to our telephone conversation please find garages re positioned which I trust are now satisfactory.

Also with regards the windows, yes the existing properties have different style windows but my Client would like to make both properties more uniform by having all windows to match as detailed

Yours faithfully.
