Good Morning,

Thank you for your consultation on planning application H06-1008-26. Having screened the application, whilst the site in question lies within the Internal Drainage District of the South Holland Internal Drainage Board the proposed application does not meet our threshold for commenting as per our Planning and Byelaw Strategy. Therefore the Board has no comments to make.

Whilst the site falls below our threshold for commenting, I'd like to ensure the applicant is aware of the riparian watercourse adjacent to the site and the associated riparian responsibilities. Guidance on owning a watercourse is available on the Government website https://www.gov.uk/guidance/owning-a-watercourse. Please note that consent would be required from the Board for any alterations or discharges to a watercourse, more information can be found on our website - https://www.wlma.org.uk/ .

Kind Regards,

Ellie
