Application	H06-1063-17
Location	J E PICCAVER NORFOLK HOUSE FARM MAIN ROAD PE12 9PB
Proposal	Erection of seasonally clad polythene tunnels on land adjoing Norfolk House Farm and associated buffer reservoir

---

Name	Mark Simmonds
Address	Interim Heritage Officer
Date Submitted	09-01-18
For/Against	Comments

Having reviewed the submitted Heritage Impact Assessment I would make the following comments:

Whilst the HIA does not directly give detailed assessment of the impacts upon the setting of the listed building it does contain enough information for me to conclude that due to the existing buildings and vegetation the proposals would not have a substantial negative impact and therefore I do not object on heritage grounds.
