DO NOT SCALE FROM THIS DRAWING

This drawing is copyright and may not be altered, traced, photographed or used for any other purpose other than that which it is issued. The General Contractor is to check all dimensions on site and report any discrepancies to the Architect. Any details shown on this drawing including foundations are based upon typical site conditions related to the area. No responsibility can be accepted for abnormal conditions which may be discovered during construction unless reported to the Architect before that design dimensions may be considered. Site soil surveys are recommended in this respect. If considering boundary walls or fences, it is essential to establish specific site conditions before foundation work is undertaken. This drawing is issued as a contract document only. These works will not be approved or inspected on site by G.R. Merchant for the purpose of obtaining Planning / Building Regulation approval. This drawing must not be altered or any representative thereof. It is the client or their appointed agents responsibility to ensure that all materials or any workmanship, undelivered or materials, workmanship or specification is carried out in accordance with the Building Regulations and all other relevant statutory requirements. Materials and products etc. to be used must be used and installed strictly in accordance with manufacturers instructions and relevant code of practice. All materials to be new unless otherwise stated and all components and materials are to be used fitted and installed strictly in accordance with manufacturers instructions, undelivered
