Applicant: J E Piccaver & Co
Norfolk House Farm
Gedney Marsh
Spalding
Lincs
PE12 9PB

Location: Onslow Farm Onslow Lane Gedney Drove End Spalding

Description: Continuation of siting of temporary accommodation facilities for student and farm workers - approved under H06-1011-16 - Modification of Condition 1 to allow structures to remain on site for a further period of time

South Holland District Council hereby give notice that this application has been GRANTED (or equivalent) subject to the following condition(s):

- 1 At the expiration of a period of 3 years from the date of this permission, the cabins and any ancillary structures shall be removed and the site reinstated to its former use.

Reason: Permission has been granted on grounds of an essential agricultural need. Also, the cabins are of a temporary nature and by reason of their materials may become dilapidated and cause injury to the amenities of the locality. A temporary permission enables the Local Planning Authority to review the situation with regard to these factors, plus a re-assessment of flood risk.

This Condition is imposed in accordance with Policies 1, 2, 3 and 4 of the South East Lincolnshire Local Plan, 2019.

- 2 The development hereby permitted shall be carried out in accordance with the following approved plans:
1:2500 Location Plan;

JEP-2013-01 and associated layout plan accompanying planning application H06-1011-16;
Planning Support Statement (Ref. JEP-2013-03) accompanying planning application ref. H06-1011-16.
Flood Risk Assessment by Hennock International Ltd.

Reason: For the avoidance of doubt and in the interests of proper planning.

- 3 The cabins shall only be occupied by seasonal workers employed in farming operations on land in the control of the applicants and/or land which is subject to the Joint Farming Agreement with Worth Farms Ltd. No worker(s) shall occupy one or more caravans for a period in excess of six months in any year. The applicant shall maintain occupancy records of the portacabins, which shall be made available for inspection by the Local Planning Authority at any time.

Reason: To prevent the site being used as permanent unrestricted residential accommodation.

This Condition is imposed in accordance with Policy 1 of the South East Lincolnshire Local Plan, 2019.

- 4 The development hereby permitted shall be carried out in accordance with the measures set out in the Flood Risk Assessment accompanying the application, including or plus the following measures:
- Finished floor levels shall be set no lower than 400mm above existing ground level;
 - All temporary accommodation facilities shall be securely fastened to the ground at all times;
 - Preparation and display on site of a flood warning and evacuation plan in accordance with details within the Flood Risk Assessment.

Note: The applicant is advised to sign up to the Environment Agency's free Floodline Warnings Direct Service.

Reason: To ensure that the development does not increase the risk of flooding or be at risk of flooding.

This Condition is imposed in accordance with Policies 3 and 4 of the South East Lincolnshire Local Plan, 2019 and national guidance contained in Section 14 of the National Planning Policy Framework, 2019.

- 5 No temporary accommodation facilities shall be occupied between 1 November and 14 March.

Reason: To reduce the impact of flooding.

This Condition is imposed in accordance with Policies 3 and 4 of the South East Lincolnshire Local Plan, 2019 and national guidance contained in Section 14 of the National Planning Policy Framework, 2019.

- 6 Foul water shall be disposed of to the existing Klargester Biodisc on site in accordance with details within the Planning Support Statement accompanying planning application ref. H06-1011-16.

Reason: To ensure that satisfactory foul water drainage facilities are provided on site, in the interest of the amenities of the locality.

This Condition is imposed in accordance with Policies 2, 3 and 30 of the South East Lincolnshire Local Plan, 2019.

Notes:

The Local Planning Authority has acted positively and proactively in determining this application by assessing it against all material considerations, including national guidance, planning policies and representations that have been received during the public consultation exercise, and by identifying matters of concern within the application and negotiating, with the Applicant, acceptable amendments to the proposal to address those concerns. As a result, the Local Planning Authority has been able to grant planning permission for an acceptable proposal.

RIGHTS OF APPEAL

Appeals to the Secretary of State

If you are aggrieved by the decision of your Local Planning Authority to refuse permission for the proposed development or grant consent subject to conditions, then you can appeal to the Secretary of State under Section 78 of the Town and Country Planning Act 1990 or Section 20 of the Planning (Listed Building and Conservation Areas) Act 1990.

The deadlines for appeals are calculated from the **date of decision** and are as follows for the types of applications below:

12 Weeks	6 Months	8 Weeks
Householder Applications	Planning Permission	Consent to Display Adverts
Minor Commercial Development	Listed Building Consent	
Agricultural Determinations	Other Prior Approval Applications	
Householder Prior Approval Applications		

If you intend to submit an appeal that you would like examined by inquiry then you must notify the Local Planning Authority and Planning Inspectorate (inquiryappeals@planninginspectorate.gov.uk) at least 10 days before submitting the appeal. Further details are on GOV.UK.

Enforcement Notices

If an enforcement notice was served prior to the planning application being determined then the deadline for appealing is 28 days from the date of the **planning refusal**.

If an enforcement notice is served after the planning application is determined then the deadline for appealing is 28 days from the date of the **enforcement notice** OR **the timescales stated above for each application type** from the date of the planning refusal - whichever is sooner.

Appeals can be made online at: <https://www.gov.uk/planning-inspectorate>. If you are unable to access the online appeal form, please contact the Planning Inspectorate to obtain a paper copy of the appeal form on tel: 0303 444 5000.

The Secretary of State can allow a longer period for giving notice of an appeal but will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.

The Secretary of State need not consider an appeal if it seems to the Secretary of State that the

Local Planning Authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under the order.

Purchase Notices

If either the Local Planning Authority or the Secretary of State refuses permission to develop land or grant it subject to conditions the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor can he render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.

In these circumstances the owner may serve a purchase notice on the Council in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of the Part VI of the Town and Country Planning Act 1990 or Section 32 of the Planning (Listed Building and Conservation Areas) Act 1990.

Compensation

In certain circumstances compensation may be claimed from the Local Planning Authority if permission is refused or granted subject to conditions by the Secretary of State on appeal or on reference of the application to him.

These circumstances are set out in Section 114 and related provisions of the Town and Country Planning Act 1990 and Section 27 of the Planning (Listed Building and Conservation Areas) Act 1990.
