DO NOT SCALE FROM THIS DRAWING

This drawing is copyright and may not be altered, traced, photographed or used for any other purpose other than that for which it is issued. The General Contractor is to check all dimensions on site and report any discrepancies to the Architect. All details shown on this drawing including foundations are based upon typical site conditions related to the area. No responsibility can be accepted for abnormal conditions which may be discovered during construction unless reported to the Architect so that design amendments may be considered. Site soil surveys are recommended in respect of foundations to establish specific site conditions before foundation work is undertaken. This drawing is limited to the amount of information contained and does not purport to contain a full specification of the works. It is solely for the purpose of obtaining Planning / Building Regulation approval. This drawing must not be used as a contract document alone. The Architect or his staff not to be supervised or inspected on site by G R Merchant or any representative thereof. It is the client or their appointed agents responsibility to control workmanship, substitution of materials, adherence of specification.

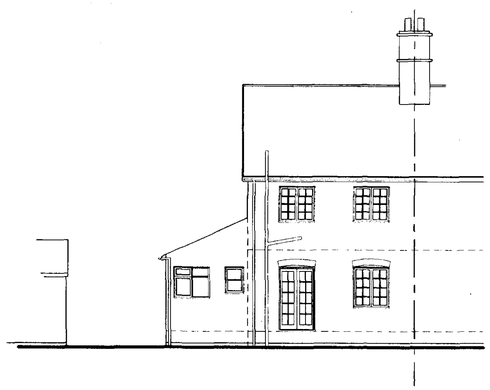

All materials to be new unless otherwise stated and all components and materials etc. to be used fitted and installed etc. to strict accordance with manufacturers instruction and relevant code of practice. Materials shall conform to appropriate British standard specification or BBA certificate or European code equivalent. The Employer / Client shall ensure that the selected contractor is competent with and adopts all measures necessary to achieve compliance with Health and Safety legislation for Building sites and Work places. The Employer / Client is advised that should the works need to comply with the Construction Design and Management Regulations an Independent Planning Supervisor will be required. The works shall comprise of all that is shown on the drawing and details. Work that can not reasonably shown but can be reasonably inferred as necessary to

DO NOT SCALE FROM THIS DRAWING

This drawing is copyright and may not be altered, traced, photographed or used for any other purpose other than for which it is issued. The Architectural Technician is to check all dimensions on site and report any discrepancies to the Architect. All details shown on this drawing including dimensions have been prepared from information supplied by the client and/or their agents and are not to be relied upon for accuracy unless stated otherwise. Any plans, sections or elevations prepared by the Architect on their design journeymanship may be considered. Site soil surveys are recommended to dispose of foundations to establish safe conditions before foundation work is undertaken. This drawing is limited in the amount of information contained and does not purport to contain a full specification of the works, it is solely for the purpose of obtaining Planning / Building Regulation approval. This drawing must not be used as a contract document alone. The works will not be supervised or inspected on site by G.R Merchant or any representative thereof. It is the client or their appointed agents responsibility to control workmanship, substitution of materials, adherance to specification, variations to contract etc.

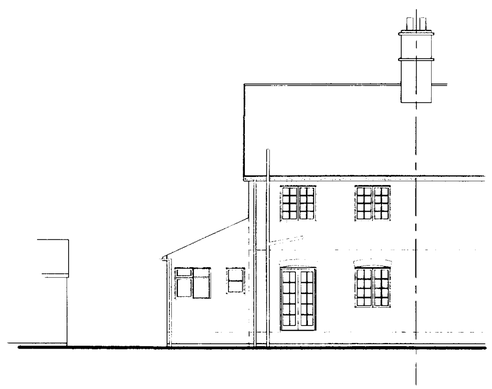

All materials to be new unless otherwise stated and all components and materials etc. to be used fitted and installed etc. to and accordance with manufacturers instruction and relevant code of practice. Materials shall conform to appropriate British standard specification or BBA certificate or European code equivalent. The Employer / Client shall ensure that the selected contractor is experienced with and adopts all measures necessary to address compliance with Health and Safety legislation for Building Works and Designs. The Employer / Client is advised that it would be unwise to purchase property prior to obtaining Planning Approval. Neither the Architect nor Technician Planning Department will be liable for any costs incurred if Planning Approval is not obtained. The reader shall complete all of the to shown on the drawing and details which they may be specifically shown but may be reasonably inferred as necessary to carry out the works shall be deemed to be included.
