TOWN AND COUNTRY PLANNING ACT 1990

OUTLINE

Reference: H07-0037-18 **Date of Decision:** 21st March 2018

Applicant: Mr N Shortland
Windy Nook Nursery
West Drove South
Gedney Hill
Spalding
PE12 0PN

Location: West Drove South Gedney Hill Spalding

Description: Residential Development

South Holland District Council hereby give notice that this application has been REFUSED for the above proposal for the following reason(s):

1 The proposal is deliverable and would help to provide the supply of housing required to meet the needs of present and future generations. However, the benefits are outweighed by the harm that the proposal would cause in terms of its effect upon the character and appearance of the rural locality and countryside. At this point along West Drove South the character essentially alters from a built up residential frontage to scattered development, reflective of the nature of the open countryside. The roadway also deteriorates and becomes more rural in nature and appearance. The proposal constitutes a form of ribbon development that would extend existing development into the countryside, to the detriment of the prevailing rural character of the area.

The proposal is therefore contrary to Policies SG1, SG2, SG4 and SG14 of the South Holland Local Plan and Paragraphs 7, 8, 14, 17 and 58 of the National Planning Policy Framework, 2012. Paragraph 17 states one of the core principles of planning is the protection of the intrinsic character of the countryside. Paragraph 58 indicates that new development should respond to local character.

Moreover, the proposal would also encourage further applications of a similar nature, which would then be hard to resist, contrary to the aims and objectives of both the Framework and South East Lincolnshire Local Plan 2011-2036 (Publication Version - March 2017) to ensure that new development is sustainable and protects the character and appearance of the area and countryside.

Notes:

The Local Planning Authority has acted positively and proactively in determining this application by assessing it against all material considerations, including national guidance, planning policies and representations that have been received during the public consultation exercise. However, the issues are so fundamental to the proposal, due to the harm which has been clearly identified within the reason for the refusal, that approval has not been possible.

This decision notice, the relevant accompanying report and the determined plans can be viewed online at http://planning.sholland.gov.uk/OcellaWeb/planningSearch

The determined plans are:
Dwg. no. 3271-17-01.

RIGHTS OF APPEAL

Appeals to the Secretary of State

If you are aggrieved by the decision of your Local Planning Authority to refuse permission for the proposed development or grant consent subject to conditions, then you can appeal to the Secretary of State under Section 78 of the Town and Country Planning Act 1990 or Section 20 of the Planning (Listed Building and Conservation Areas) Act 1990.

Timescales for appealing

The deadlines for appeals are calculated from the **date of decision** and are as follows for the types of applications below:

12 Weeks	6 Months	8 Weeks
Householder Applications	Planning Permission	Consent to Display Adverts
Minor Commercial Development	Listed Building Consent	
Agricultural Determinations	Other Prior Approval Applications	
Householder Prior Approval Applications		

Enforcement Notices

If an enforcement notice was served prior to the planning application being determined then the deadline for appealing is 28 days from the date of the **planning refusal**

If an enforcement notice is served after the planning application is determined then the deadline for appealing is 28 days from the date of the **enforcement notice** OR **the timescales stated above for each application type** from the date of the planning refusal - whichever is sooner.

All appeals must be made using an Appeal Form which you can get from The Planning Inspectorate at Temple Quay House, 2 The Square, Bristol, BS1 6PN (tel: 0303 444 5000) or you can submit your appeal online at:

http://www.planningportal.gov.uk/planning/appeals/online/makeanappeal

The Secretary of State can allow a longer period for giving notice of an appeal but he will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.

The Secretary of State need not consider an appeal if it seems to him that the Local Planning Authority could not have granted planning permission for the proposed development or could not have granted it without the conditions it imposed, having regard to the statutory requirements, to the

provisions of the development order and to any directions given under the order. In practice the Secretary of State does not refuse to consider appeals solely because the Local Planning Authroity based its decision on a direction given by him.

Purchase Notices

If either the Local Planning Authority or the Secretary of State refuses permission to develop land or grant it subject to conditions the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor can he render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.

In these circumstances the owner may serve a purchase notice on the Council in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of the Part VI of the Town and Country Planning Act 1990 or Section 32 of the Planning (Listed Building and Conservation Areas) Act 1990.

Compensation

In certain circumstances compensation may be claimed from the Local Planning Authority if permission is refused or granted subject to conditions by the Secretary of State on appeal or on reference of the application to him.

These circumstances are set out in Section 114 and related provisions of the Town and Country Planning Act 1990 and Section 27 of the Planning (Listed Building and Conservation Areas) Act 1990.
