Dear David

**PRIOR APPROVAL APPLICATION H07-0079-15
CONVERSION OF BUILDING TO RESIDENTIAL, WEST DROVE NORTH, GEDNEY HILL.**

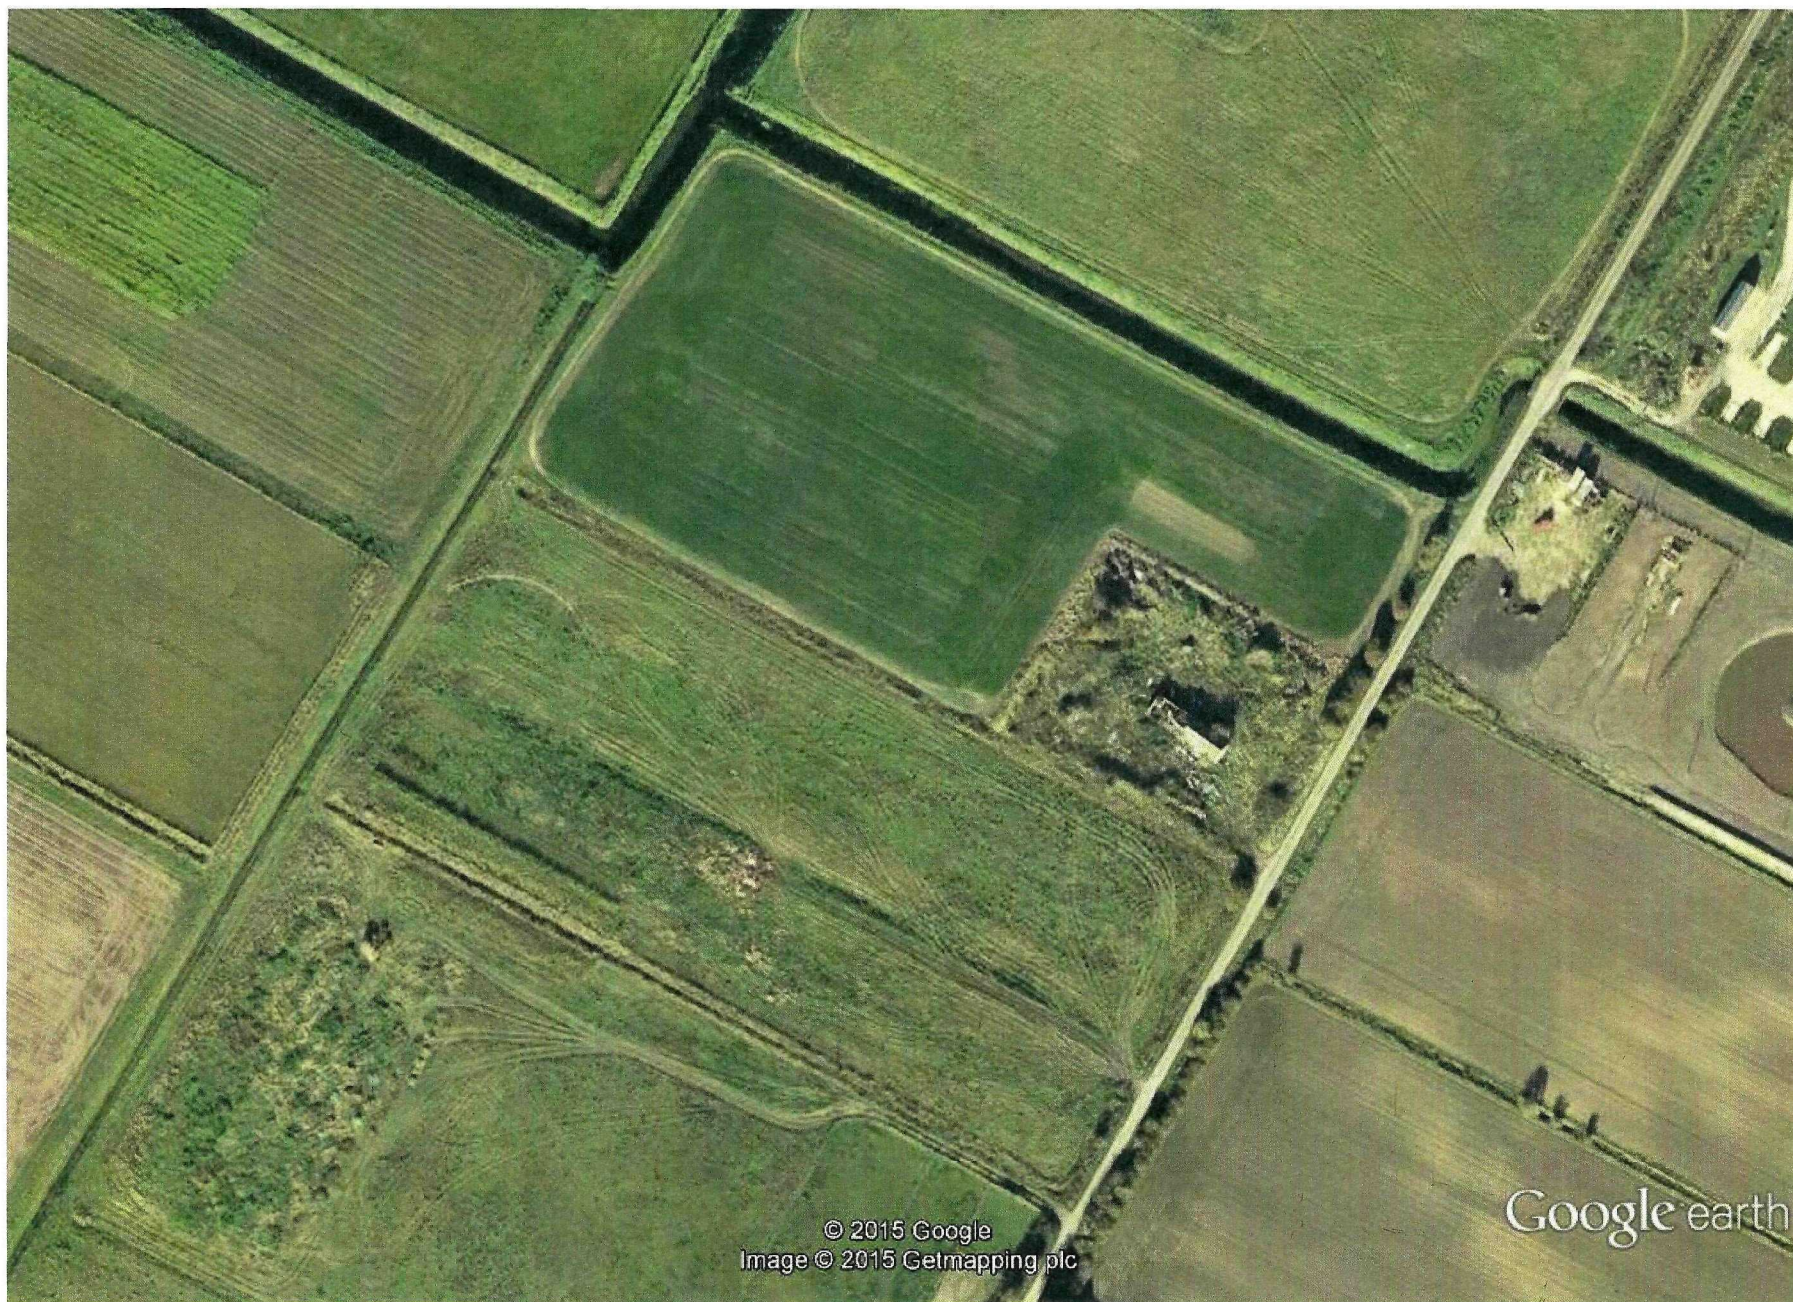

In response to your e.mail of the 23 February, if the building is not an agricultural building what is it?

You refer to the supporting letter from Coles Bros as agricultural contractors, they are also general farmers, owning 150 acres of land in the Gedney Hill, Sutton St Edmund and Parson Drove areas and renting several further holdings similar to the application site.

Please find attached 'Google' image of the site which suggests that the field has been used for the production of hay.

I trust you now have sufficient justification to favourably determine the application.

Regards
Bob Merchant
