This drawing is copyright and may not be altered, copied, photographed or used for any other purpose other than that for which it is issued. The General Contractor is to check all dimensions on site and report any discrepancies to the Architect. All details shown on this drawing include foundations are based upon typical site conditions related to the area. His responsibility can be accepted for abnormal conditions which may be encountered. Site soil surveys are recommended in respect of foundations to establish specific site conditions before foundation work is undertaken. This drawing is limited by the amount of information contained and does not purport to contain a full specification of the works. It is solely for the purpose of obtaining Planning / Building Regulation approval. This drawing must not be used as a contract document. The works will not be supervised or inspected on site by GRM Merchant or any representative thereof. If the client or their appointed agent(s) responsible to control construction, identification of materials, advice on specifications, variations to contract documents and the like, are unable to provide such services, they shall be deemed to have accepted and installed etc., in strict accordance with manufacturers' instructions and relevant code of practice. Materials shall continue to conform to appropriate British standards (specification of BSAs certified to European code equivalents). The Employer's Client shall ensure that the selected contractor is conversant with and accepts all measures necessary to achieve compliance with Health and Safety legislation for Building sites and Workplaces. The Employer's Client is advised that should the works need to comply after the Construction Design and Management Regulations an independent Planning Supervisor will be required. The works shall comprise of all that is shown on the drawing and details. Work that is not specifically shown but may be reasonably inferred as necessary to carry out the works shall be deemed to be included. If the plot / land owners responsibility to be aware of the plots / land, and 1998 plans building is the sole responsible person whether in possession.
