DO NOT SCALE FROM THIS DRAWING

This drawing is copyright and may not be altered, traced, photographed or used for any other purpose other than that for which it is issued. The General Contractor is to check all dimensions on site and report any discrepancies to the Architect. All details shown on this drawing including foundations are based upon typical site conditions related to the area. No responsibility can be accepted for abnormal conditions which may be discovered during construction unless reported to the Architect so that amendments may be considered. Site and survey are incorrect as to the extent of thickness of topsoil to establish conditions and levels before commencement of work. Any discrepancies between the schedule of information and drawings and does not purport to be a full specification for the works. It is the safety for the purpose of obtaining Planning / Building Regulation approval. This drawing must not be used as a contract document above. The works will not be supervised or inspected on site by G.R. Merchant or any representative thereof. It is the client or their appointed agents responsibility to monitor workmanship, installation of materials, adherence to specification, variations to contract etc.All materials to be new unless otherwise stated and all components and materials etc. to be used tried and installed etc. in strict accordance with manufacturers instruction and relevant code of practice. Materials shall conform to appropriate British standard specification or BBA certificate or European appointed. The Employer / Client shall ensure that the selected contractor is competent with and adopts all measures necessary to achieve compliance with Health and Safety legislation for Building sites and Work places. The Employer / Client is advised that should the works need to comply with the Construction Design and Management Regulations an Independent Planning Supervisor will be required. The works shall comprise of all that is shown on the drawing and details, work that may not specifically be shown but may be reasonably inferred as necessary to carry out the works shall be deemed to be included. It is the Client and not the Architects responsibility to be aware of the Party Wall etc. Act 1996 when building on the boundary or adjoining neighbours boundaries.
