28 July 2025

## **Response to Internal Drainage Board Comments on planning application: H07-0273-25**

The Gedney Hill Parish Council Clerk contacted the Internal Drainage Board to query the request for their consent to Byelaw 3, and spoke with Mr Will Chandler on 23 July 2025.

Mr Chandler determined that as there is no additional piped outfall and the surface proposed is water permeable, then Drainage Board permission is not required.

This can be verified with the Drainage Board.
