DO NOT SCALE FROM THIS DRAWING

This drawing is copyright and may not be altered, loaned, photographed or used for any other purpose other than that for which it is issued. The General Contractor is to check all dimensions on site and report any discrepancies to the Architect. All details shown on this drawing including foundations are based upon typical site conditions relevant to the area. No responsibility can be accepted for errors or omissions which could arise from inaccurate information supplied by others. Any boundary dimensions shown are approximate only and subject to confirmation by a full site survey. Any trial holes to establish specific site conditions before foundation work is undertaken. This drawing is broken in the amount of information contained and does not purport to contain a full specification or the works. It is solely for the purpose of obtaining Planning / Building Regulation approval. This drawing must not be used as a contract document alone. The works will not be supervised or inspected on site by G.R. Merchant or any representative thereof. It is the client or their appointed agents responsibility to submit workmanship, substitution of materials, adherence to specification, variations to contract etc. All materials to be new unless otherwise stated and all components and materials etc. to be used fixed and treated etc. in strict accordance with manufacturers instruction and relevant code of practice. Materials used contrary to accomplish British standard specification or BBA certificate or European code requirement. The Employer / Client shall ensure that the selected contractor is conversant with, and adopts all measures necessary to achieve compliance with Health and Safety legislation for Building sites and Work places. The Employer / Client is advised that should the works need to comply with the Construction Design and Management Regulations an Independent Planning Supervisor will be required. The works shall comprise of all that is shown on the drawing and details, there that may not specifically be shown but they be reasonably inferred as necessary to carry out the works shall be deemed to be included. It is the plot / land owners responsibility to be aware of the Party Wall etc. Act 1996, when building in close proximity to adjoining neighbours properties.
