Dear David

Re: Planning permission ref. H07/0564/02

Please find enclosed our amendment to the above planning permission.

We have had to reduce our outlay on construction materials and would request your approval of the changes to the roof tile and brick in accordance with the attached amendment.

Could I please request that you deal with this matter on an urgent basis as the timber frame is currently under construction and a roof requires installation as soon as it is complete. In addition we have to allow for lead times of the products.

If you need to discuss any points with me please feel free to call me on the above number any time.

In the meantime we await your quick attention to this matter.

Yours faithfully

Peter Dorken
