TOWN AND COUNTRY PLANNING ACT 1990
FULL PLANNING PERMISSION

Reference: H07-0567-15 **Date of Decision:** 12th October 2015

Applicant: Mrs R Whitwell
The Bungalow
Mole Drove
Gedney Hill
Spalding
Lincs
PE12 0PA

Location: Heading House 56 Mole Drove Gedney Hill Spalding

Description: Replacement dwelling

South Holland District Council hereby give notice that this application has been GRANTED (or equivalent) subject to the following condition(s):

1 The development must be begun not later than the expiration of three years beginning with the date of this permission.

Reason: As required by Section 91 of the Town and Country Planning Act 1990 as amended by the Planning and Compulsory Purchase Act 2004.

2 The development hereby permitted shall be carried out in accordance with the following approved plans:
Dwg. nos. 001, 002, 003B, 004A, 005B and 006B.

Reason: For the avoidance of doubt and in the interests of proper planning.

3 Within one month of occupation of the new dwelling the existing dwelling on the site shall be demolished and all mobile homes removed from the site.

Reason: Permission has been granted solely for a replacement dwelling in accordance with Policy HS17 of the South Holland Local Plan 2006.

4 Notwithstanding the provisions of the Town and Country Planning (General Permitted Development) Order 2015, (or any Order or Statutory Instrument revoking and re-enacting that Order), none of the following developments or alterations shall be carried out.
(i) the erection of house extensions including dormer windows, conservatories, porches or

pergolas.
(ii) alterations including the installation of replacement or additional windows or doors and the installation of roof windows.

Reason: To ensure that the Local Planning Authority retains control over the future extension and alteration of the development, in the interests of the architectural composition and appearance of the development and the visual amenity of the area in which it is set, planning permission only having been granted on the basis that the development would achieve a high standard of design and detailing.
This Condition is imposed in accordance with Policy HS17 of the South Holland Local Plan, 2006.

5 Prior to commencement of the development beyond oversite details of the brick(s), brick bond and mortar mix to be used for the external walls of the development hereby permitted, including samples if so required, shall be submitted to and approved in writing by the Local Planning Authority, and the development shall conform to the details/samples so approved.

Note: The applicant is advised that a red stock brick and a buff coloured mortar (white Portland cement or similar with sharp yellow/orange sand) with flush, 'bagged' finish to reveal the aggregate in the mortar would be appropriate.

Reason: In the interests of the architectural composition and appearance of the development and the visual amenity of the area in which it is set, planning permission only having been granted on the basis that the development would achieve a high standard of design and detailing.
This Condition is imposed in accordance with Policy HS17 of the South Holland Local Plan, 2006.

6 The roof tiles shall be traditional natural slates and thereafter be so maintained. Details of the slate, including a sample if necessary, shall be submitted to and approved in writing by the Local Planning Authority before work is commenced on the roof.

Reason: In the interests of the architectural composition and appearance of the development and the visual amenity of the area in which it is set, planning permission only having been granted on the basis that the development would achieve a high standard of design and detailing.
This Condition is imposed in accordance with Policy HS17 of the South Holland Local Plan, 2006.

7 Details of the window frames and arches to be utilised in the development hereby permitted shall be submitted to and approved in writing by the Local Planning Authority before development is commenced beyond oversite. Such details shall include, at a scale of not less than 1:20, the longitudinal and cross-sectional detailing, cill and lintol detailing, and means of opening. The window frames and arches shall be installed in accordance with the approved details and thereafter so maintained.

Note: The windows should, as far as possible, be side hung with a central mullion.

Reason: In the interests of the architectural composition and appearance of the development and the visual amenity of the area in which it is set, planning permission only having been granted on the basis that the development would achieve a high standard of design and detailing.
This Condition is imposed in accordance with Policy HS17 of the South Holland Local Plan, 2006.

8 Notwithstanding the submitted details, all new window frames, glazing bars, doors and door frames shall be of timber construction and thereafter so maintained.

Reason: In the interests of the architectural composition and appearance of the development and the visual amenity of the area in which it is set, planning permission only having been granted on the basis that the development would achieve a high standard of

design and detailing.
This Condition is imposed in accordance with Policy HS17 of the South Holland Local Plan, 2006.

9 Details of the design of all external doors and door frames to be utilised in the development hereby permitted shall be submitted to and approved in writing by the Local Planning Authority before the development is commenced beyond oversite. Such details shall indicate, at a scale of not less than 1:10, the longitudinal and cross-sectional detailing (including reveals), threshold and lintol detailing, and means of opening. The doors and door frames shall be installed in accordance with the approved details and thereafter so maintained.

Reason: In the interests of the architectural composition and appearance of the development and the visual amenity of the area in which it is set, planning permission only having been granted on the basis that the development would achieve a high standard of design and detailing.
This Condition is imposed in accordance with Policy HS17 of the South Holland Local Plan, 2006.

10 The rainwater goods utilised in the development hereby permitted shall be coloured black and thereafter so maintained.

Reason: In the interests of the appearance of the development and the visual amenity of the area in which it is set, planning permission only having been granted on the basis that the development would achieve a high standard of design and detailing.
This Condition is imposed in accordance with Policy HS17 of the South Holland Local Plan, 2006.

11 The guttering to the development hereby permitted shall be fixed to the external walls by means of gutter spikes/rise and fall brackets and no fascia boarding shall be used.

Reason: In the interests of the appearance of the development and the visual amenity of the area in which it is set, planning permission only having been granted on the basis that the development would achieve a high standard of design and detailing.
This Condition is imposed in accordance with Policy HS17 of the South Holland Local Plan, 2006.

12 Large scale details (at a scale of at least 1:20) of the eaves and chimney stacks shall be submitted to and approved in writing by the Local Planning Authority and no associated work shall commence in advance of that approval. These details shall provide for a cross sectional detailed drawing at 1:20 scale and the development shall be constructed in accordance with the details so approved.

Reason: In the interests of the appearance of the development and the visual amenity of the area in which it is set, planning permission only having been granted on the basis that the development would achieve a high standard of design and detailing.
This Condition is imposed in accordance with Policy HS17 of the South Holland Local Plan, 2006.

13 Before the commencement of the development beyond oversite, the approval of the Local Planning Authority is required to a scheme of tree planting for the site indicating, inter alia, the number, species, heights on planting and positions of all the trees, together with details of post-planting maintenance. Such scheme as is approved by the Local Planning Authority shall be carried out in its entirety within a period of 12 months beginning with the date on which development is commenced. All trees, shrubs and bushes shall be maintained by the owner or owners of the land on which they are situated for the period of five years beginning with the date of completion of the scheme and during that period all losses shall be made good as and when necessary.

Reason:To ensure that the development is adequately landscaped, in the interests of its visual amenity and that of the area in which it is set.
This Condition is imposed in accordance with Policy SG18 of the South Holland Local

Plan 2006.

14 Before the commencement of the development beyond oversite, full details of the means of surface water disposal shall be submitted to and approved in writing by the Local Planning Authority. The details so approved shall be implemented in full before the development hereby permitted is first brought into use.

Reason:To ensure that the site is adequately drained, to avoid pollution, and to prevent increased risk of flooding.
This Condition is imposed in accordance with Policies SG11 and SG13 of the South Holland Local Plan 2006, and national guidance contained in Section 10 of the National Planning Policy Framework, 2012.

15 Before development is commenced beyond oversite further details relating to the vehicular access to the public highway, including materials, specification of works and construction method, shall be submitted to the Local Planning Authority for written approval. The approved details shall be implemented on site before the development is first brought into use and thereafter retained at all times.

Reason: In the interest of the safety of the users of the public highway and the safety of users of the site.
This Condition is imposed in accordance with Policies SG14 and SG15 of the South Holland Local Plan, 2006.

Notes:

The Local Planning Authority has acted positively and proactively in determining this application by assessing the application against all material considerations, including national guidance, planning policies and representations that have been received during the public consultation exercise, and by identifying matters of concern within the application and negotiating, with the Applicant, acceptable amendments to the proposal to address those concerns. As a result, the Local Planning Authority has been able to grant planning permission for an acceptable proposal in as timely a manner as possible, in accordance with the presumption in favour of sustainable development, as set out within the National Planning Policy Framework.

Copies of all documentation submitted in connection with this application can be viewed online at www.sholland.gov.uk/doitonline/plandev/plansearch.aspx

BUILDING REGULATIONS:
This decision refers only to planning permission as granted under the Town and Country Planning Act 1990. The works that you are proposing may also require Building Regulations and this planning permission does not give authority under Building Regulations to commence work. Please contact

the Building Control section for further information on 01775 764557 or bcadmin@sholland.gov.uk

RIGHTS OF APPEAL

Appeals to the Secretary of State

If you are aggrieved by the decision of your Local Planning Authority to refuse permission for the proposed development or grant consent subject to conditions, then you can appeal to the Secretary of State under Section 78 of the Town and Country Planning Act 1990 or Section 20 of the Planning (Listed Building and Conservation Areas) Act 1990.

Timescales for appealing

The deadlines for appeals are calculated from the **date of decision** and are as follows for the types of applications below:

12 Weeks	6 Months	8 Weeks
Householder Applications	Planning Permission	Consent to Display Adverts
Minor Commercial Development	Listed Building Consent	
Agricultural Determinations	Other Prior Approval Applications	
Householder Prior Approval Applications		

Enforcement Notices

If an enforcement notice was served prior to the planning application being determined then the deadline for appealing is 28 days from the date of the **planning refusal**

If an enforcement notice is served after the planning application is determined then the deadline for appealing is 28 days from the date of the **enforcement notice** OR **the timescales stated above for each application type** from the date of the planning refusal - whichever is sooner.

All appeals must be made using an Appeal Form which you can get from The Planning Inspectorate at Temple Quay House, 2 The Square, Bristol, BS1 6PN (tel: 0303 444 5000) or you can submit your appeal online at:

http://www.planningportal.gov.uk/planning/appeals/online/makeanappeal

The Secretary of State can allow a longer period for giving notice of an appeal but he will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.

The Secretary of State need not consider an appeal if it seems to him that the Local Planning Authority could not have granted planning permission for the proposed development or could not have granted it without the conditions it imposed, having regard to the statutory requirements, to the

provisions of the development order and to any directions given under the order. In practice the Secretary of State does not refuse to consider appeals solely because the Local Planning Authroity based its decision on a direction given by him.

For detailed information on appeals, appeal types and guidance on the appeals process please visit:

http://www.planningportal.gov.uk/planning/appeals/planningappeals

Purchase Notices

If either the Local Planning Authority or the Secretary of State refuses permission to develop land or grant it subject to conditions the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor can he render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.

In these circumstances the owner may serve a purchase notice on the Council in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of the Part VI of the Town and Country Planning Act 1990 or Section 32 of the Planning (Listed Building and Conservation Areas) Act 1990.

Compensation

In certain circumstances compensation may be claimed from the Local Planning Authority if permission is refused or granted subject to conditions by the Secretary of State on appeal or on reference of the application to him.

These circumstances are set out in Section 114 and related provisions of the Town and Country Planning Act 1990 and Section 27 of the Planning (Listed Building and Conservation Areas) Act 1990.
