DO NOT SCALE FROM THIS DRAWING

This drawing is copyright and may not be copied, reproduced, photocopied or used for any other purpose other than that for which it is issued. The Client/Contractor is to check all dimensions on site and report any discrepancies to the architect. All dimensions shown on the drawing are approximate and are based upon typical site conditions related to this area. No responsibility can be accepted for abnormal conditions which may be discovered during construction unless reported by the architect as such. Design amendments may be considered. Site visit surveys are recommended in respect of foundations to establish specific site conditions before foundation work is undertaken. The drawing is based on the amount of information contained and does not purport to contain a full specification of the works. It is issued for the purpose of obtaining Planning, Building Regulation approval. This drawing must not be used as a contract document alone. The works will not be supervised or inspected on site by G.R. Merchant or any representative thereof. It is the client or their appointed agents responsibility to control workmanship, substitution of materials, adherence to specification, variations to contract etc. All materials to be new unless otherwise stated and all components and materials etc. to be used fixed and installed etc. in strict accordance with manufacturers instruction and relevant code of practice. Materials shall conform to appropriate British standard specification or BS, certificate or European code equivalent. The Employer/Client shall ensure that the selected contractor is competent with all aspects of relevant necessary to achieve compliance with Health and Safety legislation for building sites and work places. The Employer/Client is advised that should the works need to comply with the Construction Design and Management Regulations an independent Planning Supervisor will be required. The works shall be carried out in strict accordance with the drawing and details. Work that may not specifically be shown but may be reasonably inferred as necessary to carry out the works shall be deemed to be included. It is the client's and their agents responsibility to the owner of the Party Wall etc. Act 1996, when building in close proximity to adjoining neighbours boundaries.
