Date: MARCH '05	Drawn: GRM

Scales
AS INDICATED.

DO NOT SCALE FROM THIS DRAWING
This drawing is copyright and may not be altered, traced, photographed or used for any other purpose other than that for which it is issued. The Client or Contractor is to check all dimensions on site and report any discrepancies to the Architect. All details shown on this drawing including foundations and blocking upon typical site conditions, build to the area. No responsibility can be accepted for abnormal ground conditions which may be encountered during construction and as reported to the Architect by the Building Surveyor may be investigated. Soils and surveys are recommended to not part of this scheme but specific to Contract below. Foundation work is undertaken. This drawing is the property of G. R. Merchant & Associates Limited and does not consent to reproduction, publication, copying, loaning, exhibiting, selling or hiring for the purpose of the Planning / Building Regulation approval. Any breach of this condition will be considered infringement of copyright and will be subject to legal proceedings. Unauthorised use of this drawing may be reproduced by any method whatsoever. It is the duty of the Contractor to verify to all workmanship, dimensions of materials, adherence to Architect, advise, variations to dimensions etc.
All materials, components, workmanship and all components and materials etc. to be used shall be in accordance with the manufacturers instructions and relevant British Standard Codes of practice. Where there is a conflict between the above standards it must be taken to mean the more onerous. The Employer shall ensure that the Contractor has full Public Liability Insurance cover and Employers Liability Insurance cover, in accordance with the Health and Safety Regulations. During the Construction Stage the Principal Contractor shall be responsible for the Health and Safety of all persons employed on the site and shall comply with the Construction (Design and Management) Regulations 1994. The Principal Contractor shall be responsible for the safety of all persons employed on the site and shall comply with the Construction (Design and Management) Regulations 1994. The Principal Contractor shall be responsible for the safety of all persons employed on the site and shall comply with the Construction (Design and Management) Regulations 1994.
