LINCOLNSHIRE COUNTY COUNCIL'S RESPONSE TO CONSULTATION
ON THE FOLLOWING DEVELOPMENT PROPOSAL

District: South Holland District Council
Application number: H07-0940-24
Application Type: Approval of condition
Proposal: Details of landscaping, foul water disposal and soakaway system for disposal of surface water (Conditions 3, 11 and 12 of H07-0815-20)
Location: 32 Hillgate Gedney Hill Spalding Lincolnshire PE12 0NN

Response Date: 29 November 2024

This report includes the Substantive response of the Local Highway and Lead Local Flood Authority to a planning consultation received under the Development Management Order and includes details of any planning conditions or informatives that should be attached in the event that permission is granted and any obligations to be secured by way of a S106 agreement.

General Information and Advice

Please note that although the Definitive Map and Statement proves the existence of any recorded rights of way, there may be further or higher rights that are not shown on this document that the County Council is not currently aware of. This would be especially relevant where the public has had informal access to the site or where there are references to routes across this in maps or other historic documents. As the County Council has received no application to recognise further rights of way affecting the site, no more informed guidance can be offered at this stage.

Application Type: Approval of condition
Location: 32 Hillgate Gedney Hill Spalding Lincolnshire PE12 0NN

Highway and Lead Local Flood Authority Report

Substantive Response provided in accordance with article 22(5) of The Town and Country Planning (Development Management Procedure) (England) Order 2015:

Recommendation: No objection

The details of landscaping, foul water disposal and soakaway system for disposal of surface water (Conditions 3, 11 and 12 of H07-0815-20) are acceptable in accordance with approved drawings and details submitted with this application.

As Lead Local Flood Authority, Lincolnshire County Council is required to provide a statutory planning consultation response with regard to drainage and surface water flood risk on all Major applications. This application is classified as a Minor Application and it is therefore the duty of the Local Planning Authority to consider the surface water flood risk and drainage proposals for this planning application.

No Objections

Having given due regard to the appropriate local and national planning policy guidance (in particular the National Planning Policy Framework), Lincolnshire County Council (as Highway Authority and Lead Local Flood Authority) has concluded that the proposed development would not be expected to have an unacceptable impact upon highway safety or a severe residual cumulative impact upon the local highway network or increase surface water flood risk and therefore does not wish to object to this planning application.
