This drawing is copyright and may not be altered, reused, photographed or used for any other purpose whether that be for whole or part without the written consent of the author. No responsibility can be accepted for anyone using this drawing other than for the purpose for which it was originally prepared and supplied. Dimensions are to be checked on site and any discrepancies are to be notified immediately. All details shown on this drawing including dimensions are based upon typical site conditions related to the area. No responsibility can be accepted for abnormal conditions which may be discovered during construction unless reported to the Architect as that detail/ amendments may be considered. Site soil surveys are recommended in respect of foundations as existing site conditions before foundation work is undertaken. This drawing is limited to the extent of information contained and does not purport to contain a full specification of any works. It is therefore recommended that all contractors tender documents and quotations are based on the assumption that they will be required to comply with all relevant current British Standards, Codes of Practice, Building Regulations and any other statutory requirements. Any variations to contract work/ additional work or any representations thereof, if the client or their appointed agents responsible to the Contractor or any representative thereof, it the client or their appointed agents responsible to the Contractor or any representative thereof, it the client or their appointed agents responsible to the Contractor or any representative thereof, it
