Thank you for consulting us on this.

Having reviewed the application documents and the updated available Historic Environment information for this application, the proposal is unlikely to have an impact on significant archaeological remains.

The site was subject to a previous archaeological evaluation in 2004 and 2006, and no significant archaeological remains were identified: ELI8413 - Archaeological evaluation on land at North View Lakes, Gedney Hill and ELI4597 - Land at North Road, Gedney Hill. Consequently, no further archaeological input is necessary for this application. It is not necessary to consult us on this application again, unless there are material changes to the proposals. However, if you would like advice from us, please contact us to explain your request.

No objection to amendment 1.
