

## Numbered Boarder Planting Scheme - Species Chosen to Attract Wildlife

Bed 8

1

1 - Photinia PINK MARBLE Standard Topiary Trees

Bed 7

1

1 - Weeping cherry Frilly frock

Bed 6

1

2

3

4

1 - clematis taiga

2 - Hebe Great Orme

3 - Jasmin humile revolutum

4 - Honeysuckle

Bed 5

1

2

1 - Cotoneaster

2 - Hebe Great Orme

Bed 4

1

2

3

1 - Filamentosa white Yucca

2 - Hebe Great Orme

3 - Cotoneaster

| Bed 3                                           |                                                                                     | 1                                                                                    | 2                                                                                     | 3                                                                                     | 4                                                                                     | 5                                                                                   |
