TOWN AND COUNTRY PLANNING ACT 1990 APPROVAL REQUIRED BY CONDITION OF PERMISSION

Reference:	H07-0118-24	Date of Decision:	26th April 2024
Applicant:	Mr A Zdroba 32 Hillgate Gedney Hill Spalding Lincolnshire PE12 0NN		
Location:	32 Hillgate Gedney Hill Spalding Lincolnshire		
Description:	Details of first floor window in southern side elevation serving obscure glazing, additional tree planting & surface water disposal (Conditions 3, 4 & 6 of H07-0987-22)		

South Holland District Council hereby give notice that this application has been REFUSED for the above proposal for the following reason(s):

- 1 In the opinion of the Local Planning Authority the information submitted does not satisfactorily demonstrate that the proposed rainwater system is viable without increasing flood risk on or adjacent to the site. Consequently, Condition 6 of H07-0987-22 cannot presently be discharged.

Notes:

The determined plans are:
Dwg. No. 03 Rev F (Site Plan) dated 3 April 2024

The submitted details appear to indicate that there would be some infiltration of surface water within the plot. In which case, your attention is drawn to the need to comply with the requirements of the South Holland Internal Drainage Board within their letter dated 10

April 2024 accompanying the application. Essentially, condition 6 cannot be discharged until details of an infiltration test have been submitted along with a calculation of the size of the soakaway(s) or drainage field/infrastructure required as a result. Written consent will also be required to confirm the neighbour's agreement to the laying of the outfall pipe over their land.

It should be noted that separate Land Drainage Consent will also be required from the South Holland Internal Drainage Board to discharge into the riparian drain to the south-west under the Board's Byelaw 3. A separate application will therefore need to be submitted to the Board in this respect. Please contact the Drainage Board directly for further information as soon as possible.

Phil Norman
Assistant Director - Planning and Strategic Infrastructure
South Holland District Council

RIGHTS OF APPEAL

Appeals to the Secretary of State

If you are aggrieved by the decision of your Local Planning Authority to refuse permission for the proposed development or grant consent subject to conditions, then you can appeal to the Secretary of State under Section 78 of the Town and Country Planning Act 1990 or Section 20 of the Planning (Listed Building and Conservation Areas) Act 1990.

Timescales for appealing

The deadlines for appeals are calculated from the **date of decision** and are as follows for the types of applications below:

12 Weeks	6 Months	8 Weeks
Householder Applications	Planning Permission	Consent to Display Adverts
Minor Commercial Development	Listed Building Consent	
Agricultural Determinations	Other Prior Approval Applications	
Householder Prior Approval Applications		

<https://www.gov.uk/appeal-householder-planning-decision>

<https://www.gov.uk/appeal-planning-decision>

If you intend to submit an appeal that you would like examined by inquiry then you must notify the Local Planning Authority and Planning Inspectorate (inquiryappeals@planning-inspectorate.gov.uk) at least 10 days before submitting the appeal. Further details are on GOV.UK.

Enforcement Notices

If an enforcement notice was served prior to the planning application being determined then the deadline for appealing is 28 days from the date of the **planning refusal**.

If an enforcement notice is served after the planning application is determined then the deadline for appealing is 28 days from the date of the **enforcement notice OR the timescales stated above for each application type** from the date of the planning refusal - whichever is sooner.

Appeals can be made online at: <https://www.gov.uk/planning-inspectorate>. If you are unable to access the online appeal form, please contact the Planning Inspectorate to obtain a paper copy of the appeal form on tel: 0303 444 5000.

The Secretary of State can allow a longer period for giving notice of an appeal but will not normally be prepared to use this power unless there are special circumstances which excuse the delay in

giving notice of appeal.

The Secretary of State need not consider an appeal if it seems to the Secretary of State that the Local Planning Authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under the order.

Purchase Notices

If either the Local Planning Authority or the Secretary of State refuses permission to develop land or grant it subject to conditions the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor can he render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.

In these circumstances the owner may serve a purchase notice on the Council in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of the Part VI of the Town and Country Planning Act 1990 or Section 32 of the Planning (Listed Building and Conservation Areas) Act 1990.

Compensation

In certain circumstances compensation may be claimed from the Local Planning Authority if permission is refused or granted subject to conditions by the Secretary of State on appeal or on reference of the application to him.

These circumstances are set out in Section 114 and related provisions of the Town and Country Planning Act 1990 and Section 27 of the Planning (Listed Building and Conservation Areas) Act 1990.
