**RESIDENTIAL DEVELOPMENT
OFF HIGHSTOCK LANE
GEDNEY HILL
SPALDING
Lincs
PE12 0QG**

FOR

D BROWN (BUILDING CONTRACTORS) LTD

**PLANNING, DESIGN & ACCESS STATEMENT
REVISION A – February 2021**

**RESIDENTIAL DEVELOPMENT
OFF HIGHSTOCK LANE
GEDNEY HILL
SPALDING
LINCS
PE12 0QG**

This application is to acquire Town & Country Planning Permission for residential development off Highstock Lane, Gedney Hill for the benefit of D Brown Building Contractors Ltd.

Gedney Hill is allocated as a Minor Service Centre within the SELLP 2011-2036 adopted March 2019 to provide 120 new homes.

However, during the consultation process published in January 2017, two major parcels of land Geh003 & Geh015 were seen as undeliverable until Anglian Water have installed a suitable foul water system, therefore, other sites within Gedney hill have now been granted permission to help with the housing numbers. Geh003 housing allocation was 67 properties and Geh015 housing allocation was 29 properties this means a shortfall of 96 properties.

Policy 17 of the SELLP 2011-2036 adopted March 2019 states a mixture of housing is to be provided as 2-3 bedroom properties are in a higher demand and Policy 18 is affordable housing.

Policy 17: Providing a Mix of Housing

The provision of new houses will seek to meet the long term needs of the Plan area in order to maintain and provide mixed, inclusive and sustainable communities. Family homes of two or three are in highest demand for both the market and affordable housing sectors and one bedroom homes are also required to meet affordable needs.

A growing ageing population with the increasing likelihood of mobility and disability needs to be met also make up over 10% of housing needs over the Plan period and these should be met through provision of homes capable of adaption and also through specialist care home provision. With a decreasing ability to access everyday facilities independently and an increasing need for healthcare, specialist care home provision should be located in the most sustainable settlements e.g. Sub-Regional Centres and Main Service Centres.

The Local Plan will also seek to meet the housing needs of non travelling Gypsy and Traveller households and also custom and self builders as they may come forward.

Policy 18: Affordable Housing

In South East Lincolnshire the following need for affordable housing has been identified:

- A. In Boston Borough about 263 new affordable dwellings per annum, equating to over 80% of the overall annual housing needs; and*
- B. In South Holland about 282 new affordable dwellings per annum, equating to about 60% of the overall housing need.*

The affordable housing need will be sought on:

- 1. Market housing sites of 11 or more dwellings (residential developments with an internal floor area of 1000sqm or more with a requirement of:
 - i. About 20% being affordable housing in sites in Boston Borough; and*
 - ii. About 25% being affordable housing on sites in South Holland**
- 2. Sites proposed by developers specifically for affordable housing; and*
- 3. Rural Exception Sites.*

The proportion of affordable housing can be provided on market housing sites may vary according to the site specific considerations such as viability, other infrastructure requirements and the type of affordable housing needs to be met. The following provision will be sought in each Local Plan Area:

- 4. On sites in Boston Borough a mix of about 75% affordable for rent and about 25% intermediate housing for sale; and*
- 5. On sites in South Holland District a mix of about 70% affordable for rent and about 30% intermediate housing for sale.*

Affordable for rent may include social rented, affordable rented or intermediate rented and intermediate housing for sale may include shared ownership, shared equity and stater homes depending on the identified need.

On site provision will be required. Where circumstances relating to the delivery of affordable housing make it impractical to deliver affordable housing on site, developers will provide sound evidence to the Local Authority why on site provision cannot be achieved. Where such evidence is accepted by the Local Authority the developer will be expected to make equivalent off-site provision or a financial contribution to enable the need to be met elsewhere. In Boston Borough this will be elsewhere in the sub area in which the site is located (either: Boston, North/East Parishes or South/West Parishes). In South Holland elsewhere is anywhere in the District.

As part of the mix of affordable housing, developments should also consider needs for specialist accommodation and how a site could contribute towards delivering them. This may include provision for affordable Gypsy, Traveller and Travelling Showpersons pitches and plots in line with any needs identified in the latest Gypsy and Traveller Accommodation Assessment or Strategic Housing Marketing Assessment. This would include the needs of those communities who are identified either within or outside the Government's definition set out in Planning Policy for Traveller Sites.

Having acquired Planning Permission for the frontage development under reference H07-0015-20 and H07-1178-18 this site has a lot of Planning history.

However, Gedney Hill has changed since we submitted the first application for the development in November 2018. Many different Planning Applications have been submitted and approved namely:

H07-1205-18, H07-0284-19 & H07-0285-19 at Highstock Lane

H07-0922-19 at Hillgate

H07-0821-16, H07-0622-17, H07-0981-17, H07-0037-18 & H07-1213-19 all Outline approved along West Drove South

H07-0880-18, H07-0817-19, H07-0974-19, H07-0249-20 & H07-0663-20 all fully approved along West Drove South

Over the years G R Merchant Ltd have been commissioned by various clients for self-build or obtain Planning Permission for large family homes which are normally priced in the region of £300,000 - £500,000.

Our clients, D Brown Building Contractors Ltd, are finding trying to sell and secure offers on their new properties plots 1-5 (bungalows) is proving very difficult with 1/3rd of an acre plots. They have had many viewings and their Estate Agents have had many setbacks relating to the price and amount of land available with the plots, therefore, this has made the properties extremely hard to find interest let alone an offer or sale. The Estate Agents have been asked for new bungalows in the value range of £200,000 - £250,000, which sits in a better and more affordable price bracket.

D Brown Building Contractors Ltd are offering plots 1 and 2 to be 2 bedroom affordable housing for sale at 80% market value (forever) for first time buyers within the village and plots 4 and 5 to be affordable rentals for local people in the village. D Brown Building Contractors Ltd are known for providing affordable housing schemes all over the district. The tenure for these houses will be the same as one of their recent developments of six units at Holbeach Hurn.

Therefore, we submit a new scheme complying with Policy's 17 & 18 of the SELLP 2011-2036 adopted March 2019 as the most recent permissions granted above have not provided a mixture of housing, mainly 2 or 3 bedroom properties as these are in a greater need. Within the sites mentioned above 25 properties have permission, however, none of these have been allocated for affordable housing, therefore, my client would like to deliver 4 affordable dwellings within this development. Therefore making Gedney Hill a viable or affordable Minor Service Centre, which has not been supplied or catered for yet.

We have submitted a pre-application enquiry; however, this has seen negative comments / regard to the form of depth development. We don't dispute the fact that Highstock Lane has mainly frontage development, but over the last few years the junction and surrounding land around Highstock Lane has seen backland development and cul-de-sac developments, mainly (as shown on the attached plan):

- Hillgate, Gedney Hill (Pink)
- Sycamore View off Station Road (Green)
- Station Road/Highstock Lane (Yellow)
- Huberts Close (Blue)

This application statement demonstrates that the site is capable of being developed without detrimental impact on the character of the surrounding area and in the absence of any adverse impacts, Paragraph 11 of the NPPF indicates that Planning Permission should be granted.

The following section of this statement is as suggested by "The Commission for Architecture and the Built Environment" (CABE)

USE

The application site, which amounts to 0.46 hectares, is immediately off Highstock Lane and sits at the top of the junction surrounding by a mixture of dwellings.

AMOUNT

The number of dwellings have been determined on the demand of requirement from prospective purchasers and the need for more affordable priced dwellings. An enquiry has been made to Angela Doherty of SHDC to ask for the specific or particular housing requirements for Gedney Hill.

SCALE

Again, the scale of the development has been determined on research and requirements of Gedney Hill allowing for good sized 2 bedroom houses and bungalows.

APPEARANCE

Architectural design and appearance of the properties will match recently approved development under construction namely plots 4-9, by using the same landscaping, boundary treatments and external materials.

ACCESS

Access to the proposed site will be via an adopted road for the first 40m with a suitable turning head and a refuse collection area. The remainder will be a private roadway of 4.1m wide to plots 4-10. The highways state a private roadway can be achieved at 4.1m wide with 5 or more dwellings as long as the carriageway is less than 100 yards.

All reports are submitted with this application that have already been approved in the previous applications.

Building Plots - Highstock Lane

£120,000

Added on 24/06/2020

MARKETED BY

Longstaff, Spalding

5 New Road Spalding PE11 1BS

Call agent: 01775 547009

No floorplan

Key features

- Situated Close to the Centre of Gedney Hill Village
- Views over open countryside
- Outline Planning Consent Granted for an Indicative Layout of 6 Dwellings

Property description

Tenure: Freehold

LOCATION The site is situated on the north side of Highstock Lane in a rural location, just south-east of the Village of Gedney Hill.

Village amenities include a Primary School, Church and Golf Club, and further shopping facilities and Secondary Schools are located in the nearby towns of Spalding (14 miles) and Wisbech (11 miles). The city of Peterborough is located just 15 miles south-west. The population for Spalding is approximately 29,000 and the District of South Holland has a population of around 90,000 people (2013 figures from South Holland District Council's website).

DESCRIPTION The whole site extends to approximately 0.54 Hectares (1.33 Acres) and has direct frontage onto the adopted highway of Highstock Lane. The site offered for sale is shown edged red on the plans included in these Particulars (for identification purposes only). There are existing residential properties located immediately to the north-west and south-east boundaries of the site, and the rear of the site is open onto agricultural land to the north-east.

TENURE Freehold with vacant possession upon completion.

SERVICES It is believed that mains electricity and water are available for connection, however, neither the Vendors nor the Agents make any guarantees as to the availability of services and interested parties must make their own enquiries direct with the service providers concerned as to the availability, practicality and cost of providing all necessary services to the site as required.

There is no mains drainage available and will require the installation of private treatment per plot, as well as a soakaway for surface water drainage.

PLOT AVAILABILITY/DIMENSIONS

Plot 1 - SOLD

Plot 2 - SOLD

Plot 3 - SOLD

Plot 4 - AVAILABLE - 19.5m x 43m

Plot 5 - AVAILABLE - 19.5m x 42.5m

Plot 6 - AVAILABLE - 22.5m x 43m

FURTHER PLOTS There are a further 7 plots available in addition to those in these sales particulars to the

south of Highstock Lane

PLANNING CONSIDERATIONS Outline Planning Consent has been granted by South Holland District Council - Reference No: H07-0945-17, dated 4th December 2017 for the development of the site and the plans included in the Outline Planning Consent show an Indicative site layout of 6 residential units. This outline planning consent included a planning condition limiting these dwelling to a maximum combined gross floor space of no more than 1000 square meters. Subsequently a further successful planning application was granted on 11th June 2019 - Reference No: H07-0285-19 to vary this condition in effect removing it

Prospective purchasers' attention is drawn to the various conditions attached to the Planning Consent and the purchaser will be responsible for all costs associated with fulfilling such conditions. A copy of the formal Planning Consent is available from the Council's website: or from the Agent's Spalding Office. Included in these Particulars is a copy of the plan determined on the Planning Application which shows the indicative layout for the outline application.

Any queries in respect of planning matters should be addressed direct to the Planning Department at South Holland District Council - CALL:

The purchaser will be responsible for fencing the boundaries of the plot.

Property description

City and County are very pleased to present for sale this bespoke and individual DETACHED dwelling, one of two currently under construction located in the popular Lincolnshire village of Gedney Hill approximately 10 minutes drive from the popular and historic market town of Crowland and approximately 15 minutes drive from Spalding.

The property is built by GJM property holdings an established family run company with a reputation for a high quality and bespoke build. The accommodation comprises a spacious reception hall, living room, luxury kitchen breakfast room, generous sized utility and cloakroom, dining room and stairs leading to a galleried landing. There are also five bedrooms, two with en-suites plus a family bathroom. A DOUBLE garage and a driveway providing off road parking is also a bonus plus an enclosed rear garden. Call today for a viewing.

Choices - Make this home truly yours with our extensive range of choices. Whether it's a traditional or contemporary theme that inspires you we offer a wide choice of options as standard, including Neff kitchen appliances, kitchen facias, wall paint, internal doors & door furniture. Karndean luxury flooring to all Kitchens, Bathrooms, En Suites, Cloakrooms and Utility Rooms. Ideal Standard Concept Air range for Bathrooms and En suites.

Ask our Sales Team about our optional upgrade such as kitchen appliances, Oak doors and metallic electrical fittings. If you are unsure what to choose, we have two design options that our interior designer has put together, so whether it is a contemporary edge or traditional feel you prefer you can relax knowing it's all been professionally put together for you.
