Date: SEP 07	Drawn: JPW

Scales
1:50 1:100 1:500.

DO NOT SCALE FROM THIS DRAWING

This drawing is copyright and may not be altered, traced, photographed or used for any other purpose other than that for which it is issued. The General Contractor is to check all dimensions on site and report any discrepancies to the Architect. All details shown on this drawing including dimensions are based upon limited site conditions related to the area. No responsibility can be accepted for structural conditions which may be the subject of subsequent engineers reports. Any dimensions relating to existing drainage are approximate only as conditions, like soil storage are unpredictable in respect of trees and hedges. Any dimensions relating to existing drainage are approximate only as conditions, like soil storage are unpredictable in respect of trees and hedges. This drawing is issued for the purpose of obtaining Planning / Building Regulation approval. This drawing must not be used as a contract document unless it is signed as such by the Architect. The works will not be supervised or inspected on site by G R Merchant or any representative thereof. It is the client or their appointed agents responsibility to ensure workmanship, substitution of materials, adherence to specification, conformance to approved plans and materials to be to new orders otherwise stated and all components and materials are to be used fixed and installed only in strict accordance with manufacturers instructions. The Contractor is to provide adequate temporary supports to all parts of the structure during construction or high winds or storms and is to be responsible for the stability of the structure at all times. The Contractor is to provide adequate temporary bracing to all parts of the structure during construction and ensure all necessary precautions are taken to achieve compliance with Health and Safety legislation for Building sites and Work places. The Employer / Client is advised that should the works need to comply with the Construction (Design and Management) Regulations an Independent Planning Supervisor will be required. The works shall comprise of all that is shown on the drawing and details. Work that is not specifically but shall be reasonably inferred as necessary to carry out the works shall be deemed to be included. It is the plot / land owners responsibility to be aware of the Party Wall etc. Act 1996 when building in close proximity to adjoining neighbours boundaries.
