Scales
1/50.

DO NOT SCALE FROM THIS DRAWING

This drawing is copyright and must not be altered, loaned, photographed or used for any other purpose other than that for which it is issued. The General Contractor is to check all dimensions on site and report any discrepancies to the Architect. All details shown on this drawing including foundations are based upon trial pits. Ultimate reliance must be placed on the responsibility can be accepted for alterations on details which may be considered during construction to be required by the Architect as that being unsatisfactory, but be considered. Site soil surveys are recommended in respect of foundations to sand, but trial pits are sufficient to nature foundation work is undertaken. This drawing is limited in the amount of information supplied and does not purport to contain a full specification of the works. It is read in conjunction with all other drawings, Building Regulations and Specification. This drawing is not to be used for the purposes of obtaining tenders or quotations unless specifically stated. We do not be licensed or any representation is made. It is the client or their appointed agents responsibility to prepare construction, information in materials, references to manufacturers, variations to standard details materials to be new unless otherwise stated and all components and workmanship etc. to be used sited and installed etc. to strict accordance with manufacturers instruction and relevant code of practice. Materials shall conform to appropriate British standard specifications or BBA certificate or European code equivalent. The Employer / Client shall ensure that the selected contractor is experienced with and accepts all responsibilities necessary to achieve compliance with Health and Safety legislation for Building sites and Work places. The Employer / Client is advised that should the works need to comply with the Construction Design and Management Regulations an Independent Planning Supervisor will be required. The works shall complies of all that is shown on the drawing and details. Work that may not specifically be shown but may be reasonably inferred as necessary to carry out the works shall be deemed to be included. It is the Job / land owners responsibility to be aware of the Party Wall etc. Act 1996 when building in close proximity to adjoining neighbors boundaries.
