DO NOT SCALE FROM THIS DRAWING

This drawing is copyright and may not be altered, traced, photographed or used for any other purpose other than that for which it is issued. The General Contractor is to check all dimensions on site and report any discrepancies to the Architect. All details shown on this drawing including foundations are based upon typical site conditions related to the area. No responsibility can be accepted for abnormal conditions which may be discovered during construction unless reported to the Architect on that basis amendments may be considered. Site soil surveys are recommended by means of trial excavations to establish specific site conditions before foundation work is undertaken. This drawing is limited in the amount of information contained and does not purport to contain a full specification of the works. It is solely for the purpose of obtaining Planning / Building Regulation approval. This drawing must not be used as a contract document alone. The works will not be supervised or inspected as able by G. R. Merchant or any representative thereof. It is the client or their appointed agents responsibility to ensure that the builder obtains all materials, adherence to specifications, variations to contract etc. All materials to be fully suitable otherwise stated and all components and materials etc. to be used fixed and installed strictly in accordance with manufacturers instruction and relevant code of practice. Materials shall be of the British Standard specification or BBA certificate or European equivalent. The Developer / Client shall ensure that the builder has adequate insurance cover and employ all measures necessary to ensure compliance with Health and Safety Executive Act. Building sites and Work places. The Employer / Client is advised that should the works need to comply with the Construction Design and Management Regulations as Notwithstanding Planning Supervisor will be required. The works shall comprise of all that is shown on the drawing and details. Work that may not specifically be shown but may be reasonably inferred as necessary to carry out the works shall be deemed to be included. It is the plot / land owners responsibility to be aware of the Party Wall etc. Act 1996 when building in close proximity to adjoining neighbors boundaries.
