AS INDICATED.

DO NOT SCALE FROM THIS DRAWING

This drawing is copyright and may not be reproduced, stored, photographed or used for any other purpose than that for which it was issued. The General Contractor is to check all dimensions on site and report any discrepancies to the Architect. All details shown on this drawing including fabrication are to be read from typical site conditions and not to scale. No responsibility can be accepted for errors or omissions which may be discovered during construction unless reported to the Architect and that no commencements may be considered. Alternatives may be recommended in respect of layout due to unforeseen variable site conditions before construction work is undertaken. This drawing is limited in the amount of information contained and does not purport to contain a full specification of the details it is solely for the purpose of obtaining Planning and/or Building Regulation approval. This drawing must not be used as a contract document. This work has not been supervised or inspected on site by G.R Merchant or any representative thereof. It is the client of their appointed agents responsibility to control workmanship, subcontractors, materials, and to ensure compliance with specification, variations to contract etc.

All materials to be new unless otherwise stated and all components and materials etc. to be used fitted and installed etc. in strict accordance with manufacturers instruction and relevant code of practice. Materials must conform to appropriate British standard specification or BBA certificate or Agrément where available. The Employer / Client shall ensure that the selected contractor is conversant with and adopts all measures necessary to achieve compliance with Health and Safety Regulations for Building sites and from please. The Employer / Client is advised that should the work need to comply with the Construction Design and Management Regulations an independent Planning Supervisor will be required. The works shall comprise of all that is shown on the drawing and details. Work that may not specifically shown but may be reasonably inferred as necessary to carry out the works shall be deemed to be included.
