I am replying to your recent enquiry regarding residential development of the redundant medical centre at Lowgate, Gosberton, Spalding.
The more detailed plan is a lot easier to work with so thank you for sending that in to us.
I previously discussed the proposals with LCC Highways and they saw no problem with the principle, I also visited the site to check the access etc. and the road seems capable of bearing the additional traffic that would be generated.
The lower density layout is a big improvement upon the first plan and raises no concerns at this stage in terms of amenity.
