Quotation Ref: 48928

Dear Mr Smith

To provide new Outdoor Gym equipment and all weather surfacing for Robert Doughty Consultancy.

Project Brief

We have pleasure in submitting our proposal for your Gosberton Project. Our proposal has been based upon the requirements following our discussions. I hope that I have interpreted your ideas correctly within the attached proposal however if you would like any further options or amendments making, please don't hesitate to ask.

When choosing OLP to design, manufacture and install your new design you will benefit from the following;

- An in-house designing and manufacturing team who take your project ideas and come up with additions we believe will add to the **fun, challenge and enjoyment of the design.**
- An independent family owned company who have been designing, manufacturing and installing play solutions in Schools and Nurseries, Parks, Leisure Amenities & Local Authorities for **30 continuous years**.
- All the members of our installation and groundworks team are directly employed by OLP.

Don't just take our word for it, come and see for yourself. As we operate an open manufacturing environment, we would be more than happy for you to arrange a visit to our offices and workshop here in Cambridgeshire.

Finally, we are an **API** (Association of Play Industries) member, giving you complete faith, you have chosen the correct supplier. Benefits include a Professional Code of Conduct, Financially secure and strict compliance to all the relevant safety standards.
