Hi Phil

Sorry I didn't fully understand the question on the form.

The barn will be 200sqm and the overall size of the holding is 20,230sqm.

Hope this is the information required.

Many thanks.

Chris Whitwell

Hi,

I am writing to you with regard to your application for an agricultural determination at Fossil Farm. On the application form you have stated that the proposed agricultural unit is 200 sqm. However, this question relates to the overall size of the holding. As you have suggested the parcel of land is over one hectare, I assume the overall size of the holding is greater than 200 sqm. I would be grateful if you could confirm the total size of the holding ASAP, so that I can determine the application accordingly in good time.

Kind regards,

Phil
