Good morning Tracey thank you for your email unfortunately it went to the wrong address so I have only received it this morning hence the delay in responding to you, so my apologies.

I have checked our drawings and he is proposing to use brick for the walls, UPVC for the windows and doors and a flat roof all to match the existing property.

I hope this answers your enquiry, if I can be of any further assistance please do not hesitate to contact me.

Kind Regards,

Karen Melville
