GENERAL NOTES
Copies of drawing 233/1/2008 must not be taken, traced or altered for any purpose other than that for which it is issued without written permission of MW Architectural - Detailing Services. The drawing is produced only for the purpose of obtaining Planning Permission Approval & does not contain a full specification for the proposed works & must not be used as a contract document alone. The proposed work will not be supervised / inspected on site by MW Architectural / Detailing Services & it is therefore the client or their appointed Builder / Contractor responsibility to control workmanship / materials / specification & any variations to the contract (variations may require amended drawings / new application having to be submitted to S.H.D.C Planning Dept. for approval, Client / Builder / Contractor to confirm. All measurements on this drawing are not to be scaled for construction / ordering purposes, dimensions set out of the works as shown on the drawing to be checked by the Builder / Contractor prior to the commencement of work & any discrepancies report immediately. The actual position of existing gas / electric underground service pipes / cables, surface water pipes / soakaways are not known / shown the actual positions of all these apparatus must be established by the Builder / Contractor prior to commencement of / or during any work & moved to suit individual service providers requirements.

HEALTH & SAFETY
The client is to ensure that the appointed contractor is familiar with & complies with Health & Safety for Building Sites & Work Places.
