Non-Material Amendment(s) Sought

Please describe the non-material amendment(s) you are seeking to make

we would like to convert the garage area to make a 4th bedroom

Please state why you wish to make this amendment

to create more space within the house, we have recently built a new detached garage under reference H08-0736-23 and the garage under the same roof of the house is now redundant and lends itself perfectly to become a 4th bedroom for our growing family, we would just remove the garage door and install a window to match the windows currently installed in the rest of the property with brickwork to the matching hight of the other front aspect windows
