DO NOT SCALE From this DRAWING

This drawing is the property and may not be altered, traced, photographed or used for any purpose other than that for which it is issued.

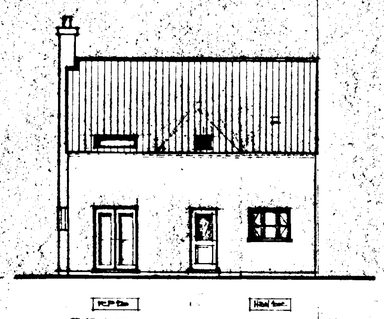

The General Contractor is to check all dimensions on site and report discrepancies to the Architect.

All details shown on this drawing including foundations are based upon typical site conditions reported by the agent. No responsibility can be accepted for abnormal conditions which may be discovered during construction unless reported to the Architect in this design amendments may be considered. Site soil surveys are recommended to expert advice pertaining to establish specific site conditions before foundation work is undertaken.
