Reason: For the avoidance of doubt and in the interests of proper planning.

3 Prior to the installation of the access road, a buffer from the public highway measuring at least 1m of bound material inside the private curtilage shall be laid down over the private driveway and shall thereafter be maintained.

Reason: To prevent the overflow of unbound surface material onto the public highway, protecting against potential hazards on the road.
This Condition is imposed in accordance with Policy 2 of the South East Lincolnshire Local Plan (2019).

4 Before the commencement of the development hereby permitted beyond oversite, details of the brick(s) to be used to the external walls of the development hereby permitted shall be submitted to and approved in writing by the Local Planning Authority, and all the brick(s) used in the development shall conform to the details so approved.

Reason: To ensure that the Local Planning Authority retains control over these details of the development in the interests of the appearance of the development, and the character and visual amenity of this listed building.
This Condition is imposed in accordance with Policies 2, 3 and 29 of the South East Lincolnshire Local Plan, 2019 and national guidance contained in Section 16 of the National Planning Policy Framework, 2019.

5 Before the commencement of the development hereby permitted beyond oversite, details of the roof tiles to be used for the roof of the development hereby permitted shall be submitted to and approved in writing by the Local Planning Authority, and all tiles used in the development shall conform to the details so approved.

Reason: To ensure that the Local Planning Authority retains control over these details of the development in the interests of the appearance of the development, and the character and visual amenity of this listed building.
This Condition is imposed in accordance with Policies 2, 3 and 29 of the South East Lincolnshire Local Plan, 2019 and national guidance contained in Section 16 of the National Planning Policy Framework, 2019.

6 Details of the window frames to be utilised in the development hereby permitted shall be submitted to and approved in writing by the Local Planning Authority prior to their installation. Such details shall indicate, at a scale of not less than 1:10, the longitudinal and cross-sectional detailing (including reveals), cill and lintol detailing, and means of opening. The window frames shall be installed in accordance with the approved details and thereafter so maintained.

Reason: To ensure that the Local Planning Authority retains control over these details of the development in the interests of the appearance of the development, and the character

and visual amenity of this listed building.
This Condition is imposed in accordance with Policies 2, 3 and 29 of the South East Lincolnshire Local Plan, 2019 and national guidance contained in Section 16 of the National Planning Policy Framework, 2019.

7 Prior to their installation full details of the proposed roof light(s) shall be submitted to and approved in writing by the Local Planning Authority. The roof light(s) shall be installed in accordance with the approved details and thereafter so maintained.

Note: The applicant is advised that a flush fitting rooflight of traditional design, having a slim metal frame and central vertical glazing bar, would be appropriate.

Reason: To ensure that the Local Planning Authority retains control over these details of the development in the interests of the appearance of the development, and the character and visual amenity of this listed building.
This Condition is imposed in accordance with Policies 2, 3 and 29 of the South East Lincolnshire Local Plan, 2019 and national guidance contained in Section 16 of the National Planning Policy Framework, 2019.

8 The rainwater goods utilised in the development hereby permitted shall be coloured black and of metal construction and thereafter so maintained.

Reason: To ensure that the Local Planning Authority retains control over these details of the development in the interests of the appearance of the development, and the character and visual amenity of this listed building.
This Condition is imposed in accordance with Policies 2, 3 and 29 of the South East Lincolnshire Local Plan, 2019 and national guidance contained in Section 16 of the National Planning Policy Framework, 2019.

Notes:

The Local Planning Authority has acted positively and proactively in determining this application by assessing it against all material considerations, including national guidance, planning policies and representations that have been received during the public consultation exercise, and subsequently determining to grant planning permission.

The applicant is remined that in order to drain into the Welland and Deepings Internal Drainage Board dyke on the Northern and Western boundaries, they will need to submit, to the Welland and Deepings Internal Drainage Board, an "Application to Alter a Watercourse" within which details such as pipe size and levels would need to be examined. Also, if any surface water or water from package treatment plant systems are to be discharged into any watercourse then this would also require the prior written consent of the Board. The Welland and Deepings Internal Drainage Board expects the applicant to contact them with regards to the content of the above comment.

# RIGHTS OF APPEAL

## Appeals to the Secretary of State

If you are aggrieved by the decision of your Local Planning Authority to refuse permission for the proposed development or grant consent subject to conditions, then you can appeal to the Secretary of State under Section 78 of the Town and Country Planning Act 1990 or Section 20 of the Planning (Listed Building and Conservation Areas) Act 1990.

## Timescales for appealing

The deadlines for appeals are calculated from the **date of decision** and are as follows for the types of applications below:

| 12 Weeks | 6 Months | 8 Weeks |
|---|---|---|
| Householder Applications | Planning Permission | Consent to Display Adverts |
| Minor Commercial Development | Listed Building Consent | |
| Agricultural Determinations | Other Prior Approval Applications | |
| Householder Prior Approval Applications | | |

If you intend to submit an appeal that you would like examined by inquiry then you must notify the Local Planning Authority and Planning Inspectorate (inquiryappeals@planning inspectorate.gov.uk) at least 10 days before submitting the appeal. Further details are on GOV.UK.

## Enforcement Notices

If an enforcement notice was served prior to the planning application being determined then the deadline for appealing is 28 days from the date of the **planning refusal**.

If an enforcement notice is served after the planning application is determined then the deadline for appealing is 28 days from the date of the **enforcement notice** OR **the timescales stated above for each application type** from the date of the planning refusal - whichever is sooner.

Appeals can be made online at: https://www.gov.uk/planning-inspectorate. If you are unable to access the online appeal form, please contact the Planning Inspectorate to obtain a paper copy of the appeal form on tel: 0303 444 5000.

The Secretary of State can allow a longer period for giving notice of an appeal but will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.

The Secretary of State need not consider an appeal if it seems to the Secretary of State that the

Local Planning Authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under the order.

## Purchase Notices

If either the Local Planning Authority or the Secretary of State refuses permission to develop land or grant it subject to conditions the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor can he render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.

In these circumstances the owner may serve a purchase notice on the Council in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of the Part VI of the Town and Country Planning Act 1990 or Section 32 of the Planning (Listed Building and Conservation Areas) Act 1990.

## Compensation

In certain circumstances compensation may be claimed from the Local Planning Authority if permission is refused or granted subject to conditions by the Secretary of State on appeal or on reference of the application to him.

These circumstances are set out in Section 114 and related provisions of the Town and Country Planning Act 1990 and Section 27 of the Planning (Listed Building and Conservation Areas) Act 1990.
