TOWN AND COUNTRY PLANNING ACT 1990

OUTLINE

Reference: H08-0484-17 **Date of Decision:** 4th July 2017

Applicant: Mr & Mrs Hill
Eastfield House
10 Beck Bank
Gosberton Clough
Spalding Lincs
PE11 4JL

Location: Eastfield House 10 Beck Bank Gosberton Clough Spalding

Description: Erection of two dwellings - re-submission of H08-0918-16

South Holland District Council hereby give notice that this application has been REFUSED for the above proposal for the following reason(s):

1 The site is located within an area identified as open countryside. It is not closely related to an established settlement limit and is some distance from the centre of Gosberton where, with the exception of the local primary school, the nearest local facilities are situated. Although Gosberton Clough may benefit from a public transport route, buses are likely to be infrequent. As a consequence, future occupiers would be likely to have a high dependence on the use of motor vehicles to access local services which would be contrary to one of the core planning principles to make the fullest use of public transport. Moreover, the reliance on the motor car would increase carbon emissions, contrary to the requirements of the environmental role of planning.

Consequently, the site is not considered to be a suitable site for housing with particular regards to the principles of sustainable development and the protection of the character of the open countryside. It is therefore contrary to Policies SG1, SG2 and SG4 of the South Holland Local Plan and Paragraphs 14, 17, 49 and 55 of the National Planning Policy Framework, 2012. Paragraphs 14, 17 and 49 indicate that new housing should be in a sustainable location and contribute towards protecting and enhancing the environment.

Paragraph 55 stresses that local planning authorities should avoid new homes in the countryside, unless there are special circumstances.

2 As there is no path or lighting on this part of the highway, the proposed development would be contrary to the principles of providing sustainable development where safe and suitable access can be achieved by all people. This is due to the rural nature of the location, the lack of public transport and inadequate pedestrian facilities or street lighting.

The proposed development therefore conflicts with Local Plan Policy SG15 which ensures development will provide safe and convenient access to and within the site for motor vehicles, cyclists, pedestrians, the less able bodied and people with disabilities. IT also conflicts with paragraph 32 of Section 4 and paragraph 61 of section 7 of the National Planning Policy Framework, 2012, which is concerned with safe and suitable access, addresses the connections between people and places and the integration of new development into the natural, built and historic environment.

Notes:

The Local Planning Authority has acted positively and proactively in determining this application by assessing it against all material considerations, including national guidance, planning policies and representations that have been received during the public consultation exercise. Furthermore, matters of concern with the application have been identified and discussed with the Applicant. However, the issues are so fundamental to the proposal that it has not been possible to negotiate a satisfactory solution and due to the harm, which has been clearly identified within the reason(s) for the refusal, approval has not been possible.

RIGHTS OF APPEAL

Appeals to the Secretary of State

If you are aggrieved by the decision of your Local Planning Authority to refuse permission for the proposed development or grant consent subject to conditions, then you can appeal to the Secretary of State under Section 78 of the Town and Country Planning Act 1990 or Section 20 of the Planning (Listed Building and Conservation Areas) Act 1990.

Timescales for appealing

The deadlines for appeals are calculated from the **date of decision** and are as follows for the types of applications below:

12 Weeks	6 Months	8 Weeks
Householder Applications	Planning Permission	Consent to Display Adverts
Minor Commercial Development	Listed Building Consent	
Agricultural Determinations	Other Prior Approval Applications	
Householder Prior Approval Applications		

Enforcement Notices

If an enforcement notice was served prior to the planning application being determined then the deadline for appealing is 28 days from the date of the **planning refusal**

If an enforcement notice is served after the planning application is determined then the deadline for appealing is 28 days from the date of the **enforcement notice** OR **the timescales stated above for each application type** from the date of the planning refusal - whichever is sooner.

All appeals must be made using an Appeal Form which you can get from The Planning Inspectorate at Temple Quay House, 2 The Square, Bristol, BS1 6PN (tel: 0303 444 5000) or you can submit your appeal online at:

http://www.planningportal.gov.uk/planning/appeals/online/makeanappeal

The Secretary of State can allow a longer period for giving notice of an appeal but he will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.

The Secretary of State need not consider an appeal if it seems to him that the Local Planning Authority could not have granted planning permission for the proposed development or could not have granted it without the conditions it imposed, having regard to the statutory requirements, to the

provisions of the development order and to any directions given under the order. In practice the Secretary of State does not refuse to consider appeals solely because the Local Planning Authroity based its decision on a direction given by him.

Purchase Notices

If either the Local Planning Authority or the Secretary of State refuses permission to develop land or grant it subject to conditions the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor can he render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.

In these circumstances the owner may serve a purchase notice on the Council in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of the Part VI of the Town and Country Planning Act 1990 or Section 32 of the Planning (Listed Building and Conservation Areas) Act 1990.

Compensation

In certain circumstances compensation may be claimed from the Local Planning Authority if permission is refused or granted subject to conditions by the Secretary of State on appeal or on reference of the application to him.

These circumstances are set out in Section 114 and related provisions of the Town and Country Planning Act 1990 and Section 27 of the Planning (Listed Building and Conservation Areas) Act 1990.
