SEE REPORT.

This application is at the request of Mrs E Garner following application H08/0133/95 which was refused despite the fact that it was only a renewal of a previously approved application, H08/1402/89.

Unfortunately until now Mrs Garner has not been in a position to proceed with the construction of her bungalow.

Mrs Garner currently lives in a semi-detached cottage on Cawood Lane approximately 200 metres from the application site, until 1988 she lived at Cawood Hall from where the Garner family ran the farm of over 800 acres. After the death of her husband, and later her only son, Mrs Garner was unable to cope with the farm and the rambling Cawood Hall, and so the Hall and all but 60 acres of the farm were sold.

Having lived all her married life on the farm Mrs Garner wishes to spend her retirement in a retained part of Cawood Hall which she developed as an idyllic garden area. Although having disposed of most of the Farm it is felt that if continuity of life is to remain in small rural settlements such as Cawood Lane it is important that retired and/or widowed residents be allowed to remain within the community in a property more appropriate to their needs.

The proposed site of the new bungalow is within a large mature garden; retained from Cawood Hall; screened from sight by a 2/3 metre high conifer hedge on the North and East boundaries, to the South is a 2 metre high brick wall and on the West is the mature gardens of Cawood Hall with wall and Ha-Ha. The proposed bungalow would have a minimum of impact on its environment and certainly not an encroachment into the open countryside. Mrs Garner having planted and meticulously maintained the garden over many years will ensure that only those few hedges and plants required to obtain access to Cawood Hall will be removed and that the appearance and style of the garden will remain, along with the magnificent Plane Tree in the South East corner. As the site is already an established garden, there will be no change of use of land

surrounding the building itself and the long term management of the site will be secured, the beauty and the suitability of the site for a bungalow needs to be seen to be believed.
