revisions:

exact size, depth & detail of all foundations to be agreed on site with Building control officer.

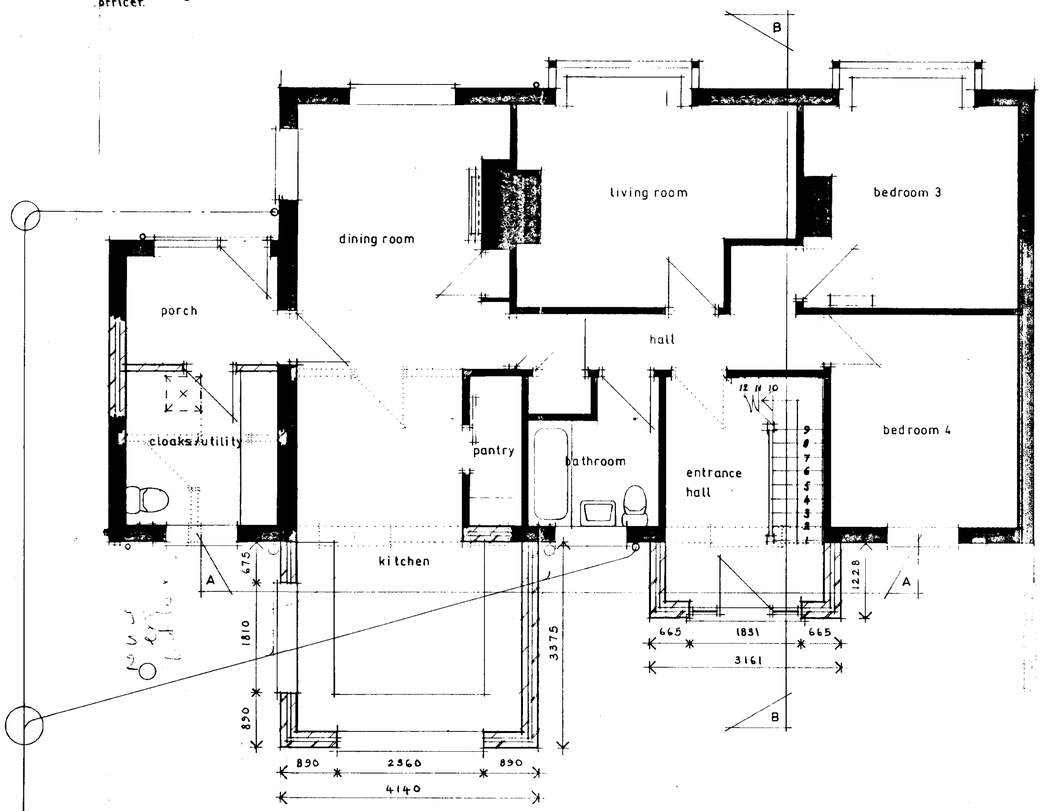

SECTION A A

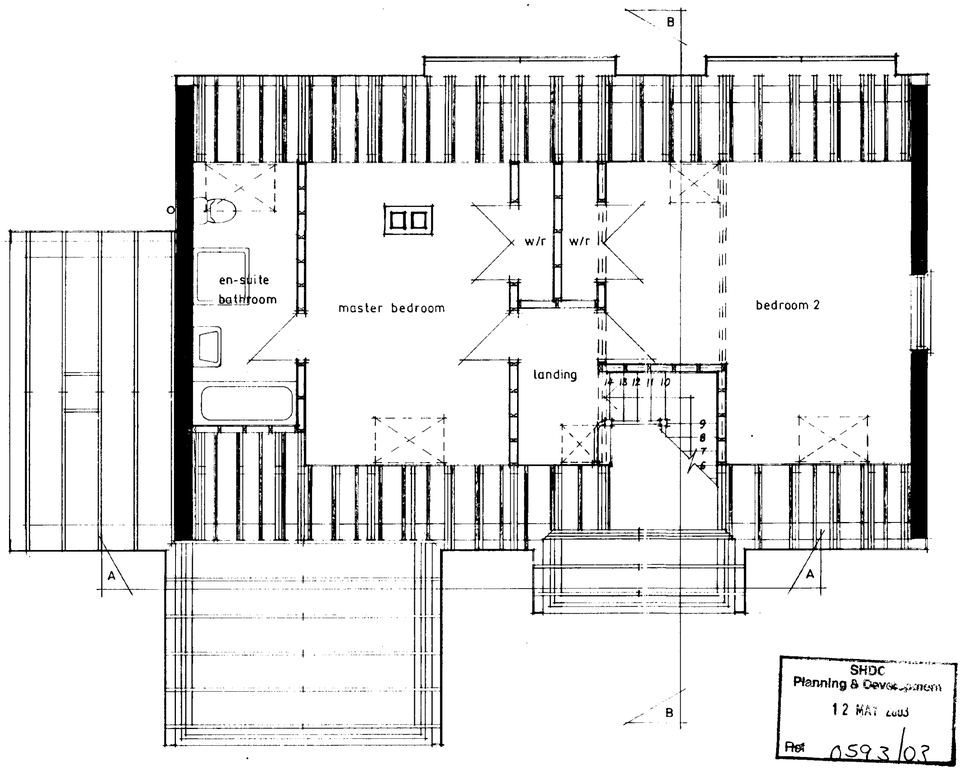

SECTION B B

notes:

1. structural timber to be SC3 grade SW kiln dried.
2. treat exposed timbers to BS1282 : 75
3. L.G. lintels to be installed all in accordance with manufacturers instructions & relevant codes of practice.
4. clad L.G. lintels in 16mm gypsum plaster to achieve 1/2 hr. fire resistance.
5. extend existing central heating system into extension.
6. new radiators to be fitted with thermostatic valves.
7. new & re used window to provide 5% natural ventilation & 10% natural light.
8. new windows to be upvc double glazed with a 12mm air gap, argon filled & a 'soft' low-E coating inc. 8000mm² trickle vents.
9. extend existing hot & cold water services into extension.
10. all new walls & ceilings plastered.
11. no trees affect proposal
12. any encroachment over site boundary to be agreed with neighbour
