Hi Tracey
Not sure if you received my message earlier.
The nursery will be open Monday to Friday, 8.00am to 5.00 pm.
Not open weekend nor bank holidays

Thanks
Ann

'There has not been sufficient evidence submitted in support of this Notice of Prior Approval to adequately determine if the proposed change of use could be undertaken without having an unacceptable impact upon the safe use of the adjacent highway and without prejudicing the safety of the users and staff operating the proposed day nursery. Whilst the application form advises there is ample(?) car parking on site, there is nothing to show how much of the space within the red outline will be given over to outside play area and therefore how much space would remain for drop-off/pick-up parking and manoeuvring. If there is insufficient space, parents may choose to park and embark/disembark their children on the side of this busy A class road where they would be at risk of injury and a hazard to other road users. In the absence of more detailed information, the Highway Authority's advice would be to refuse the grant of consent'.

I need to take this one to Chairman's Panel, so would you be able to send me a block plan of the site showing the parking areas and proposed play areas as soon as possible? I need to have reconsulted Highways and have the report prepared by Monday 17th, so sometime this week would be necessary.

Many thanks

Hi Tracey,

just received your message on my house voice mail.

Thanks
