Good afternoon Mr Grant

We've had a bit of a situation develop here with our neighbours around the shed.

I've spoken to your colleague Sally this morning, and she has suggested to contact you for some clarification and potential modification, in the future, to the existing planning permission.

Not wishing to appear all "cryptic" in an email, but it's something that would be quicker to discuss over the phone.

if it would be possible for you to give us a call I would be most grateful.....we are in pretty all the time with the exception of this coming Friday and following Monday.

Sally has some background on the matter so if you needed an update I hope she wouldn't mind filling you in on recent matters.

Thanks in advance

regards

Stuart & Julie Holloway
