

Proposed Ground Floor Plan
Scale: 1/50

Proposed First Floor Plan

GENERAL NOTES
Copies of drawing 197/1/2006 & 197/2/2006 must not be taken, traced or altered for any purpose other than that for which they are issued without written permission of MW Architectural - Detailing Services. The drawings are produced only for the purpose of obtaining Planning Permission Approval & do not contain a full specification for the proposed works & must not be used as a contract document alone. The proposed work will not be supervised / inspected on site by MW Architectural / Detailing Services & it is therefore the client or their appointed Builder / Contractor responsibility to control workmanship / materials / specification & any variations to the contract (variations may require amended drawings / new application having to be submitted to S.H.D.C Planning Dept. for approval, Client / Builder / Contractor to confirm with MW Architectural / Detailing Services). All measurements on this drawing are not to be scaled for construction / ordering purposes, dimensions & set out of the works as shown on the drawing to be checked by the Builder / Contractor prior to the commencement of work & any discrepancies report immediately. The actual position of existing gas / electric underground service pipes / cables, surface water pipes / soakaways are not known / shown the actual positions of all these apparatus must be established by the Builder / Contractor prior to commencement of / or during any work & moved to suit individual service providers requirements

HEALTH & SAFETY
The client is to ensure that the appointed contractor is familiar with & complies with Health & Safety for Building Sites & Work Places.

Existing Ground Floor Plan
Scale: 1/100

Existing First Floor Plan

Existing Side Elevation

Proposed Side Elevation

remove existing high level window, lintel to remain, fit new door / frame, infill remaining opening with cavity b/wk. to suit existing. Make good all work
