

Part L & F Update 13/06/2022

“Keeping Things Simple”

PART L

All our Standard Vertical Sliders will now come with a FREE UPGRADE from a 1.5 U-value BRFC Rating A+3 to a **1.4 U-value BRFC Rating A+**

PART F

Keeping things simple we will now put the maximum amount of trickle vents into every window as STANDARD. These will be placed in the head of the window frame, In increments of 2500mm² to a maximum of 4 vents 10000mm² of Equivalent Area (EQA)

Best of all, our standard window will come **priced at £249** for any size up to 1300mm x 2400mm

Note: All other Vents in frames and in Sash's have now been discontinued.

Min Window Width	Max Window Width	No. Vents	EQA
370	599	1 x 2500	2500
600	849	2 x 2500	5000
850	1099	3 x 2500	7500
1100	1600	4 x 2500	10000

When ordering your Vertical Sliders, we will always include these vents, so please state no vents if you do not require them.
