This form is for approval of details required by a condition imposed on a planning permission. Do not use this form to ask for planning permission.

If a condition specifically excludes any part of the development from the approval, do not use this form to ask for approval of those details.

If a condition requires details to be approved before the development commences, you should not start work before you have been notified in writing that the details have been approved. You should apply for approval sufficiently early to allow for any discussions that may be necessary.
