TOWN AND COUNTRY PLANNING ACT 1990
SECTION 73 MODIFICATION

Reference: H08-0704-19

Date of Decision: 12th September 2019

Applicant: Mr D Scharff
59 High Street
Gosberton
Spalding
PE11 4NJ

Location: 59 High Street Gosberton Spalding

Description: Proposed residential dwelling - approved under H08-0546-18. Modification of Condition 2 to allow amendments to previously approved plans.

South Holland District Council hereby give notice that this application has been GRANTED (or equivalent) subject to the following condition(s):

1 The development must be begun not later than the 20th December 2021.

Reason: As required the Town and Country Planning Act 1990 as amended by the Planning and Compulsory Purchase Act 2004.

2 The development hereby permitted shall be carried out in accordance with the following approved plans:

2143 001 C
Application Form

Reason: For the avoidance of doubt and in the interests of proper planning.

3 Before the commencement of the development hereby permitted beyond oversite a schedule of external materials of construction of buildings and hard surfaced areas shall

be submitted to and approved in writing by the Local Planning Authority. The development shall be constructed in accordance with the materials so approved.

Reason : To ensure that the Local Planning Authority retains control over the external materials of construction of the development in the interests of the appearance of the development, and the character and visual amenity of this part of the Conservation Area in which it is set.
This Condition is imposed in accordance with Policies 2, 3 and 29 of the South East Lincolnshire Local Plan, 2019 and national guidance contained in Section 16 of the National Planning Policy Framework, 2019.

4 The brickwork to the development hereby permitted shall be constructed in English Garden Wall bond at a ratio of 3 courses of stretchers to every course of headers.

Reason : To ensure that the Local Planning Authority retains control over the external materials of construction of the development in the interests of the appearance of the development, and the character and visual amenity of this part of the Conservation Area in which it is set.
This Condition is imposed in accordance with Policies 2, 3 and 29 of the South East Lincolnshire Local Plan, 2019 and national guidance contained in Section 16 of the National Planning Policy Framework, 2019.

5 A one metre square freestanding panel of brickwork showing the type of brick to be used in the construction of the development hereby permitted shall be constructed on site and approved by the Local Planning Authority before the commencement of the development hereby permitted. All new brickwork shall match that of the approved panel in terms of the type of bricks used, the method of bonding, mortar colour and pointing style. The brickwork panel so constructed shall be retained on the site until the development hereby approved has been completed.

Note: The applicant is advised that a buff coloured mortar (using yellow/orange sand and white Portland cement or similar) with a flush, 'bagged' finish to reveal the aggregate in the mix would be appropriate.

Reason : To ensure that the Local Planning Authority retains control over the external materials of construction of the development in the interests of the appearance of the development, and the character and visual amenity of this part of the Conservation Area in which it is set.
This Condition is imposed in accordance with Policies 2, 3 and 29 of the South East Lincolnshire Local Plan, 2019 and national guidance contained in Section 16 of the National Planning Policy Framework, 2019.

6 The guttering to the development hereby permitted shall be of metal construction painted black, fixed to the external walls by means of gutter spikes/rise and fall brackets and no fascia boarding shall be used.

Reason : To ensure that the Local Planning Authority retains control over the external materials of construction of the development in the interests of the appearance of the development, and the character and visual amenity of this part of the Conservation Area

in which it is set.
This Condition is imposed in accordance with Policies 2, 3 and 29 of the South East Lincolnshire Local Plan, 2019 and national guidance contained in Section 16 of the National Planning Policy Framework, 2019.

7 All new window frames, glazing bars, doors and external door frames shall be of timber construction with a painted finish and thereafter so maintained.

Reason : To ensure that the Local Planning Authority retains control over the external materials of construction of the development in the interests of the appearance of the development, and the character and visual amenity of this part of the Conservation Area in which it is set.
This Condition is imposed in accordance with Policies 2, 3 and 29 of the South East Lincolnshire Local Plan, 2019 and national guidance contained in Section 16 of the National Planning Policy Framework, 2019.

8 For the avoidance of doubt, the new windows to the south and west elevations shall be traditional, painted timber, box sliding sashes, set at least 10 cm in reveal, with the boxes recessed behind the masonry and the brick arch soffit exposed. The sashes shall have 2/2 panes, decorative horns, solid glazing bars with triangular putty effect glazing bead and full constructional details, at a scale of not less than 1:10, or full scale samples shall be submitted to and approved in writing by the Local Planning Authority before development is commenced. The windows shall be installed in accordance with the approved details and thereafter so maintained.

Reason : To ensure that the Local Planning Authority retains control over the external materials of construction of the development in the interests of the appearance of the development, and the character and visual amenity of this part of the Conservation Area in which it is set.
This Condition is imposed in accordance with Policies 2, 3 and 29 of the South East Lincolnshire Local Plan, 2019 and national guidance contained in Section 16 of the National Planning Policy Framework, 2019.

9 Details of all other window frames and the external doors to be utilised in the development hereby permitted, including samples if so required, shall be submitted to and approved in writing by the Local Planning Authority before the development is commenced. Such details shall indicate, at a scale of not less than 1:10, the longitudinal and cross-sectional detailing, cill and lintol detailing, and means of opening. The window frames and doors shall be installed in accordance with the approved details and thereafter so maintained.

Note: The applicant is advised that traditional flush casement windows with solid glazing bars and putty effect glazing bead would be acceptable for use on the rear elevation, and that guaged brick arches should be used throughout to match the front elevation.

Reason : To ensure that the Local Planning Authority retains control over the external materials of construction of the development in the interests of the appearance of the development, and the character and visual amenity of this part of the Conservation Area in which it is set.
This Condition is imposed in accordance with Policies 2, 3 and 29 of the South East Lincolnshire Local Plan, 2019 and national guidance contained in Section 16 of the

National Planning Policy Framework, 2019.

10 Notwithstanding the approved drawings, large scale details (at a scale of at least 1:10) of the following features shall be submitted to and be approved in writing by the Local Planning Authority and no work shall commence in advance of that approval. These details shall provide for a cross sectional detailed drawing at 1:10 scale for each feature and the development shall be constructed in accordance with the details so approved:
- Door and window-head gauged brick arch, lintol and cill detail;
- Front door surround;
- Gable chimney stacks, to be taller and deeper than indicated so as to relate better to the proportions of the house.

Note: The applicant is advised that the use of a pre-formed gauged brick arch and non-traditional lintol design may be necessary in order to meet the requirements of Condition 8.

Reason : To ensure that the Local Planning Authority retains control over the external materials of construction of the development in the interests of the appearance of the development, and the character and visual amenity of this part of the Conservation Area in which it is set.
This Condition is imposed in accordance with Policies 2, 3 and 29 of the South East Lincolnshire Local Plan, 2019 and national guidance contained in Section 16 of the National Planning Policy Framework, 2019.

11 Details of the design and positions of all external boxes for gas and electricity supplies and of any gas flues and soil vent pipes shall be submitted to and approved in writing by the Local Planning Authority before the commencement of the development hereby permitted and there shall be no variation from the details so approved without the prior written consent of the Local Planning Authority.

Reason : To ensure that the Local Planning Authority retains control over the external materials of construction of the development in the interests of the appearance of the development, and the character and visual amenity of this part of the Conservation Area in which it is set.
This Condition is imposed in accordance with Policies 2, 3 and 29 of the South East Lincolnshire Local Plan, 2019 and national guidance contained in Section 16 of the National Planning Policy Framework, 2019.

12 Notwithstanding the provisions of the Town and Country Planning (General Permitted Development) Order 2015, (or any Order or Statutory Instrument revoking and re-enacting that Order), none of the following developments or alterations shall be carried out.

i) the erection of freestanding curtilage buildings or structures including car ports, garages, sheds, greenhouses, pergolas or raised decks;
ii) the erection of house extensions including dormer windows, conservatories, garages, car ports, porches or pergolas;
iii) alterations including the installation of replacement or additional windows or doors and the installation of roof windows.

Reason: To ensure that the Local Planning Authority retains control over the future

extension and alteration of the development, in the interests of its architectural and visual integrity, levels of residential amenity and the visual amenity and character of this part of the Conservation Area within which it is set.
This Condition is imposed in accordance with Policies 2, 3 and 29 of the South East Lincolnshire Local Plan, 2019 and national guidance contained in Section 16 of the National Planning Policy Framework, 2019..

13 Before the commencement of the development hereby permitted, full details of the existing and proposed site levels and proposed floor levels of the buildings and hard surfaced areas shall be submitted to and approved in writing by the Local Planning Authority. The development shall be constructed in accordance with the details so approved.

Reason : To ensure that the Local Planning Authority retains control over the finished site and floor levels of the development, in the interests of the amenity of adjacent residents and its visual and architectural relationship with adjacent development. This issue is integral to the development and therefore full details need to be finalised prior to the commencement of works.
This Condition is imposed in accordance with Policies 2, 3 and 4 of the South East Lincolnshire Local Plan, 2019.

14 None of the existing trees on the site shall be cut down, up-rooted, destroyed, topped, lopped or pruned without the prior written consent of the Local Planning Authority.

Reason: To ensure the protection of existing trees on the site, in the interests of the visual amenity of the locality, the applicant having failed to identify which trees would be affected by the development.

15 Before the commencement of the development hereby permitted, and notwithstanding the submitted details, the applicant shall submit to and have approved in writing by the Local Planning Authority constructional and surfacing details for the proposed driveway and vehicle parking area. These details shall indicate how any impact on the root system and long term health of the protected Lime tree immediately adjacent to the site access will be mitigated. The development shall be carried out in strict accordance with the details so approved.

Reason: To ensure that the protected Lime tree is not adversely affected by the development.

16 Where trees are to be retained on site they shall be protected during construction work as follows:
i) chestnut pale or similar fencing 1.5 metres in height shall be provided around the trees to be retained before development is commenced at a minimum distance from the trunks equal to the spread of the crowns of the trees. No materials, equipment, site huts, fuels or other items shall be placed or stored within the areas enclosed by the fencing so erected and the ground levels within those areas shall not be altered, nor shall any excavation be made, without the prior written consent of the Local Planning Authority;
ii) no burning of materials or other items shall take place within 3 metres of the crown spread of any of the trees to be retained;
iii) no services shall be routed under the spread of the crowns of the trees to be retained

without the prior written consent of the Local Planning Authority;
iv) no retained tree shall be cut down, up-rooted, destroyed, topped or lopped without the prior written consent of the Local Planning Authority and if any tree which is to be retained dies within five years beginning with the date on which the development is commenced it shall be replaced with a tree of such size and species as may be specified in writing by the Local Planning Authority.

Reason: To ensure the protection of trees on the site.
This Condition is imposed in accordance with Policies 2 and 3 of the South East Lincolnshire Local Plan, 2019.

17 The existing hedge along the south boundary of both the application site and No.59 High Street shall be retained and maintained at a height of 1 metre. In the event of the existing hedgerow being removed or dying, it shall be replaced to a specification that shall first have been approved in writing by the Local Planning Authority. The new hedgerow plants shall be maintained by the owner or owners of the land on which they are situated and all losses shall be made good as and when necessary.

Reason: To ensure the retention and maintenance of the existing frontage hedge, in order to soften the visual impact of the adjacent close boarded fence in the interests of the visual amenity of the locality, and to ensure that the visibility of drivers entering and exiting the private drive serving the site is not impaired.
This Condition is imposed in accordance with Policies 2 and 3 of the South East Lincolnshire Local Plan, 2019.

Notes:

The Local Planning Authority has acted positively and proactively in determining this application by assessing the application against all material considerations, including national guidance, planning policies and representations that have been received during the public consultation exercise and subsequently determining to grant planning permission within as timely a manner as possible in accordance with the presumption in favour of sustainable development, as set out within the National Planning Policy Framework.

Copies of all documentation submitted in connection with this application can be viewed online at www.sholland.gov.uk/doitonline/plandev/plansearch.aspx

Where a Condition requires the approval of a sample (for example a brick, tile or surfacing material) you should arrange for the sample to be delivered to the application site for inspection and approval by the case officer. We are unable to accept samples delivered to the Council's offices.

The applicant is advised that any future application for the construction of a garage in front of the dwelling hereby permitted would be likely to be resisted, as such would be out of keeping with the character and pattern of development in the Conservation Area at this point.

Phil Norman
Planning and Building Control Manager
South Holland District Council

BUILDING REGULATIONS:
This decision refers only to planning permission as granted under the Town and Country Planning Act 1990. The works that you are proposing may also require Building Regulations and this planning permission does not give authority under Building Regulations to commence work. Please contact the Building Control section for further information on 01775 764557 or bcadmin@sholland.gov.uk

RIGHTS OF APPEAL

Appeals to the Secretary of State

If you are aggrieved by the decision of your Local Planning Authority to refuse permission for the proposed development or grant consent subject to conditions, then you can appeal to the Secretary of State under Section 78 of the Town and Country Planning Act 1990 or Section 20 of the Planning (Listed Building and Conservation Areas) Act 1990.

Timescales for appealing

The deadlines for appeals are calculated from the **date of decision** and are as follows for the types of applications below:

12 Weeks	6 Months	8 Weeks
Householder Applications	Planning Permission	Consent to Display Adverts
Minor Commercial Development	Listed Building Consent	
Agricultural Determinations	Other Prior Approval Applications	
Householder Prior Approval Applications		

Enforcement Notices

If an enforcement notice was served prior to the planning application being determined then the deadline for appealing is 28 days from the date of the **planning refusal**

If an enforcement notice is served after the planning application is determined then the deadline for appealing is 28 days from the date of the **enforcement notice** OR **the timescales stated above for each application type** from the date of the planning refusal - whichever is sooner.

All appeals must be made using an Appeal Form which you can get from The Planning Inspectorate at Temple Quay House, 2 The Square, Bristol, BS1 6PN (tel: 0303 444 5000) or you can submit your appeal online at:

http://www.planningportal.gov.uk/planning/appeals/online/makeanappeal

The Secretary of State can allow a longer period for giving notice of an appeal but he will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.

The Secretary of State need not consider an appeal if it seems to him that the Local Planning Authority could not have granted planning permission for the proposed development or could not have granted it without the conditions it imposed, having regard to the statutory requirements, to the

provisions of the development order and to any directions given under the order. In practice the Secretary of State does not refuse to consider appeals solely because the Local Planning Authroity based its decision on a direction given by him.

For detailed information on appeals, appeal types and guidance on the appeals process please visit:

http://www.planningportal.gov.uk/planning/appeals/planningappeals

Purchase Notices

If either the Local Planning Authority or the Secretary of State refuses permission to develop land or grant it subject to conditions the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor can he render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.

In these circumstances the owner may serve a purchase notice on the Council in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of the Part VI of the Town and Country Planning Act 1990 or Section 32 of the Planning (Listed Building and Conservation Areas) Act 1990.

Compensation

In certain circumstances compensation may be claimed from the Local Planning Authority if permission is refused or granted subject to conditions by the Secretary of State on appeal or on reference of the application to him.

These circumstances are set out in Section 114 and related provisions of the Town and Country Planning Act 1990 and Section 27 of the Planning (Listed Building and Conservation Areas) Act 1990.
