Reference: H08-0719-16 **Date of Decision:** 20th December 2016

Applicant: Mr S Hooper
53 High Street
Gosberton
Spalding
Lincs
PE11 4NW

Location: 53 High Street Gosberton Spalding

Description: Erection of detached dwelling

South Holland District Council hereby give notice that this application has been GRANTED (or equivalent) subject to the following condition(s):

1 The development must be begun not later than the expiration of three years beginning with the date of this permission.

Reason: As required by Section 91 of the Town and Country Planning Act 1990 as amended by the Planning and Compulsory Purchase Act 2004.

2 The development hereby permitted shall be carried out in accordance with the following approved plans:
dwg. no's. 2707/01, 2707/02, 2707/03, 2707/04, 2707/05 and 2707/06,

Reason: For the avoidance of doubt and in the interests of proper planning.

3 The development hereby permitted shall be carried out in accordance with the Flood Risk Assessment, and in particular the following measures detailed within the FRA:

- Finished floor levels shall be set at 300mm above ground level.

The mitigation measures shall be fully implemented prior to occupation.

Reason: To ensure that the development does not increase the risk of flooding or be at risk of flooding.
This Condition is imposed in accordance with national guidance contained in Section 10 of the National Planning Policy Framework, 2012.

4 Before the commencement of the development hereby permitted beyond oversite a schedule of external materials of construction of buildings and hard surfaced areas shall be submitted to and approved in writing by the Local Planning Authority. The development shall be constructed in accordance with the materials so approved.

Reason: To ensure that the Local Planning Authority retains control over the external materials of construction of the development in the interests of the appearance of the development, and the character and visual amenity of this part of the Conservation Area in which it is set.
This Condition is imposed in accordance with Policy SG14 of the South Holland Local Plan, 2006 and national guidance contained in Section 12 of the National Planning Policy Framework, 2012.

5 A one metre square freestanding panel of brickwork showing the type of brick to be used in the construction of the development hereby permitted shall be constructed on site and approved by the Local Planning Authority before the commencement of the development hereby permitted beyond oversite. All new brickwork shall match that of the approved panel in terms of the type of bricks used, the method of bonding, mortar colour and pointing style. The brickwork panel so constructed shall be retained on the site until the development hereby approved has been completed.

Note: The applicant is advised that a buff coloured mortar (white Portland cement or similar with sharp yellow/orange sand) with flush, 'bagged' finish to reveal the aggregate in the mortar would be appropriate.

Reason: To ensure that the Local Planning Authority retains control over the external materials of construction of the development in the interests of the appearance of the development, and the character and visual amenity of this part of the Conservation Area in which it is set.
This Condition is imposed in accordance with Policy SG14 of the South Holland Local Plan, 2006 and national guidance contained in Section 12 of the National Planning Policy Framework, 2012.

6 For the avoidance of doubt, the new windows to the south and west elevations shall be traditional, painted timber, box sliding sashes, set at least 10 cm in reveal, with the boxes recessed behind the masonry and the brick arch soffit exposed. The sashes shall have 2/2 panes, decorative horns, solid glazing bars with triangular putty effect glazing bead and full constructional details, at a scale of not less than 1:10, or full scale samples shall be submitted to and approved in writing by the Local Planning Authority before development is commenced. The windows shall be installed in accordance with the approved details and thereafter so maintained.

Reason: To ensure that the Local Planning Authority retains control over these details of the development in the interests of the appearance of the development, and the character and visual amenity of this part of the Conservation Area in which it is set.
This Condition is imposed in accordance with Policy SG14 of the South Holland Local Plan 2006, and national guidance contained in Section 12 of the National Planning Policy Framework, 2012.

7 Details of all other window frames and the external doors to be utilised in the development hereby permitted, including samples if so required, shall be submitted to and approved in writing by the Local Planning Authority before the development is commenced. Such details shall indicate, at a scale of not less than 1:10, the longitudinal and cross-sectional detailing, cill and lintol detailing, and means of opening. The window frames and doors shall be installed in accordance with the approved details and thereafter so maintained.

Note: The applicant is advised that traditional flush casement windows with solid glazing bars and putty effect glazing bead would be acceptable for use on the rear elevation, and that guaged brick arches should be used throughout to match the front elevation.

Reason: To ensure that the Local Planning Authority retains control over these details of the development in the interests of the appearance of the development, and the character and visual amenity of this part of the Conservation Area in which it is set.
This Condition is imposed in accordance with Policy SG14 of the South Holland Local Plan 2006, and national guidance contained in Section 12 of the National Planning Policy Framework, 2012.

8 All new window frames, glazing bars and external door frames shall be of timber construction with painted finish and thereafter so maintained.

Reason: In the interests of the architectural composition and appearance of the development and the character and visual amenity of this part of the Conservation Area in which it is set.
This Condition is imposed in accordance with Policy SG14 of the South Holland Local Plan, 2006 and national guidance contained in Section 12 of the National Planning Policy Framework, 2012.

9 Notwithstanding the approved drawings, large scale details (at a scale of at least 1:10) of the following features shall be submitted to and be approved in writing by the Local Planning Authority and no work shall commence in advance of that approval. These details shall provide for a cross sectional detailed drawing at 1:10 scale for each feature and the development shall be constructed in accordance with the details so approved:
- Door and window-head gauged stone header, lintol and cill detail;
- front door step, canopy and door surround;
- Gable chimney stacks, to be taller and deeper than indicated so as to relate better to the proportions of the house.

Reason: To ensure that the Local Planning Authority retains control over these details of the development in the interests of the appearance of the development, and the character and visual amenity of this part of the Conservation Area in which it is set.
This Condition is imposed in accordance with Policy SG14 of the South Holland Local Plan 2006, and national guidance contained in Section 12 of the National Planning Policy

Framework, 2012.

10 The guttering to the development hereby permitted shall be fixed to the external walls by means of gutter spikes/rise and fall brackets and no fascia boarding shall be used.

Reason: In the interests of the architectural composition and appearance of the development and the character and visual amenity of this part of the Conservation Area in which it is set.
This Condition is imposed in accordance with Policy SG14 of the South Holland Local Plan, 2006 and national guidance contained in Section 12 of the National Planning Policy Framework, 2012.

11 The rainwater goods utilised in the development hereby permitted shall be coloured black and of metal construction and thereafter so maintained.

Reason : In the interests of the appearance of the development and the character and visual amenity of this part of the Conservation Area in which it is set.
This Condition is imposed in accordance with Policy SG14 of the South Holland Local Plan, 2006 and national guidance contained in Section 12 of the National Planning Policy Framework, 2012.

12 Before the commencement of the development hereby permitted beyond oversite, the approval of the Local Planning Authority is required to a scheme of landscaping and tree planting for the site indicating, inter alia, the number, species, heights on planting and positions of all the trees, together with details of post-planting maintenance. Such scheme as is approved by the Local Planning Authority shall be carried out in its entirety within a period of twelve months beginning with the date on which development is commenced. All trees, shrubs and bushes shall be maintained by the owner or owners of the land on which they are situated for the period of five years beginning with the date of completion of the scheme and during that period all losses shall be made good as and when necessary.

Note: The applicant is recommended to employ a qualified and experienced landscape designer to produce a landscaping scheme for the development.

Reason: To ensure that the development is adequately landscaped, in the interests of its visual amenity and that of the area in which it is set.
This Condition is imposed in accordance with Policy SG18 of the South Holland Local Plan, 2006.

13 Details of the design and positions of all external boxes for gas and electricity supplies and of any gas flues and soil vent pipes shall be submitted to and approved in writing by the Local Planning Authority prior to their installation and there shall be no variation from the details so approved.

Reason: To ensure that the Local Planning Authority retains control over these details of the development in the interests of the appearance of the development, and the character and visual amenity of this part of the Conservation Area in which it is set.
This Condition is imposed in accordance with Policy SG14 of the South Holland Local Plan, 2006 and national guidance contained in Section 12 of the National Planning Policy

Framework, 2012.

14 Notwithstanding the provisions of the Town and Country Planning (General Permitted Development) Order 2015, (or any Order or Statutory Instrument revoking and re-enacting that Order), none of the following developments or alterations shall be carried out.

i) the erection of freestanding curtilage buildings or structures including car ports, garages, sheds, greenhouses, pergolas or raised decks; and
ii) the erection of house extensions including dormer windows, conservatories, garages, car ports, porches or pergolas;

Reason: To ensure that the Local Planning Authority retains control over the future extension and alteration of the development, in the interests of its architectural and visual integrity, levels of residential amenity and the visual amenity and character of this part of the Conservation Area within which it is set.
This Condition is imposed in accordance with Policies SG14 and SG17 of the South Holland Local Plan, 2006 and national guidance contained in Section 12 of the National Planning Policy Framework, 2012.

Notes:

The Local Planning Authority has acted positively and proactively in determining this application by assessing it against all material considerations, including national guidance, planning policies and representations that have been received during the public consultation exercise, and subsequently determining to grant planning permission.

RIGHTS OF APPEAL

Appeals to the Secretary of State

If you are aggrieved by the decision of your Local Planning Authority to refuse permission for the proposed development or grant consent subject to conditions, then you can appeal to the Secretary of State under Section 78 of the Town and Country Planning Act 1990 or Section 20 of the Planning (Listed Building and Conservation Areas) Act 1990.

Timescales for appealing

The deadlines for appeals are calculated from the **date of decision** and are as follows for the types of applications below:

12 Weeks	6 Months	8 Weeks
Householder Applications	Planning Permission	Consent to Display Adverts
Minor Commercial Development	Listed Building Consent	
Agricultural Determinations	Other Prior Approval Applications	
Householder Prior Approval Applications		

Enforcement Notices

If an enforcement notice was served prior to the planning application being determined then the deadline for appealing is 28 days from the date of the **planning refusal**

If an enforcement notice is served after the planning application is determined then the deadline for appealing is 28 days from the date of the **enforcement notice** OR **the timescales stated above for each application type** from the date of the planning refusal - whichever is sooner.

All appeals must be made using an Appeal Form which you can get from The Planning Inspectorate at Temple Quay House, 2 The Square, Bristol, BS1 6PN (tel: 0303 444 5000) or you can submit your appeal online at:

http://www.planningportal.gov.uk/planning/appeals/online/makeanappeal

The Secretary of State can allow a longer period for giving notice of an appeal but he will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.

The Secretary of State need not consider an appeal if it seems to him that the Local Planning Authority could not have granted planning permission for the proposed development or could not have granted it without the conditions it imposed, having regard to the statutory requirements, to the

provisions of the development order and to any directions given under the order. In practice the Secretary of State does not refuse to consider appeals solely because the Local Planning Authroity based its decision on a direction given by him.

Purchase Notices

If either the Local Planning Authority or the Secretary of State refuses permission to develop land or grant it subject to conditions the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor can he render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.

In these circumstances the owner may serve a purchase notice on the Council in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of the Part VI of the Town and Country Planning Act 1990 or Section 32 of the Planning (Listed Building and Conservation Areas) Act 1990.

Compensation

In certain circumstances compensation may be claimed from the Local Planning Authority if permission is refused or granted subject to conditions by the Secretary of State on appeal or on reference of the application to him.

These circumstances are set out in Section 114 and related provisions of the Town and Country Planning Act 1990 and Section 27 of the Planning (Listed Building and Conservation Areas) Act 1990.
