Proposal: **S73 to change the wording of Condition 5 of H08-1256-21**

We would like to amend the wording of condition 5 under H08-1256-21 to the following:

The permitted development shall be undertaken in accordance with the Ecological Impact Assessment prepared by SLR (Report ref: 424.03044.00217, dated August 2022).

The current wording requires a Biodiversity Net Gain which as per the approved report by SLR this is not possible.

I trust that the information detailed above is sufficient however, if I can be of any further assistance, please don't hesitate in contacting me.

Kind Regards,
Ryan Waddell (07880159161)
