Location: Beck Cottage Beck Bank Spalding Lincolnshire

Description: Works to Gosberton Tree Preservation Order No. 2 1992.

Detailed Description:

Application to carry out minor works to a walnut identified as T1 of Gosberton Clough Tree Preservation Order No.2 1992. The tree is situated in the grounds of Beck cottage, Beck Bank and its canopy slightly overhangs the grounds of the property known as The Horse Shoes, Beck Bank.

The works are to carry out 'minor reduction of twigs of lower branches over-hanging fence to new growth points to give clearance to vehicles'. (Refers to lower branches overhanging the Horse Shoes).

South Holland District Council hereby give notice that this application has been GRANTED (or equivalent) subject to the following condition(s):

- 1 That the proposed work is carried out within two years of the date of this decision unless otherwise agreed with the District Council.
- 1 That the proposed work is carried out within two years of the date of this decision unless otherwise agreed with the District Council.
- 1 That the proposed work is carried out within two years of the date of this decision unless

otherwise agreed with the District Council.

- 2 Work is to be carried out in accordance with BSI 3998 : 2010, 'Recommendations for Tree Work'.
- 2 Work is to be carried out in accordance with BSI 3998 : 2010, 'Recommendations for Tree Work'.
- 2 Work is to be carried out in accordance with BSI 3998 : 2010, 'Recommendations for Tree Work'.

Notes:

The necessary consent of all other interested parties should be obtained before the works proceed.

Walnuts should ideally be pruned in late July and early August when they are in full leaf. If the leaves are still held in September or occasionally if still green into October this period may be extended with caution and pruning carried out. If pruned at other times of the year walnut trees can bleed sap profusely which could contribute to the death of the tree.

Under the Wildlife and Countryside Act 1981 (as amended) all birds, their nests and eggs are protected by law and it is an offence to damage or destroy the nest of any wild bird while it is in use or being built. In the event of query please contact Natural England at their Lincoln office on 03000 603900.

Bats are protected species under the Wildlife and Countryside Act 1981 (as amended) and in the event that bats are living in any cavities in the tree(s), or if they are discovered while the works are taking place, please inform Natural England at their Lincoln office on 03000 603900 before works proceed.
