Location: Panton House Barns Hedgefield Hurn Spalding

Description: Proposed change of use and alterations of agricultural building to one dwelling

South Holland District Council hereby give notice that this application has been GRANTED (or equivalent) subject to the following condition(s):

1 The development must be begun not later than the expiration of three years beginning with the date of this permission.

Reason: As required by Section 91 of the Town and Country Planning Act 1990 as amended by the Planning and Compulsory Purchase Act 2004.

2 The development hereby permitted shall be carried out in accordance with the following approved plans: Drw No's 1182-01-LP01 (Location Plan), 1182-01-SL02 (Block Plan), 577/01/01,577/01/02,577/01/03, 577/01/04,577/01/05, 577/01/06, 577/01/07, 1182-1-SK02, 1182-1-SK01. Flood Risk Assessment(RM Associates 1st September 2016).

Reason: For the avoidance of doubt and in the interests of proper planning.

3 No development shall take place until a written scheme of archaeological investigation has been submitted to and approved in writing by the Local Planning Authority. This

scheme should include the following and should be in accordance with the archaeological brief supplied by the Lincolnshire County Council Historic Environment advisor on behalf of the Local Planning Authority:

1. An assessment of significance and proposed mitigation strategy (i.e. preservation by record, preservation in situ or a mix of these elements).
2. A methodology and timetable of site investigation and recording
3. Provision for site analysis
4. Provision for publication and dissemination of analysis and records
5. Provision for archive deposition
6. Nomination of a competent person/organisation to undertake the work
7. The scheme to be in accordance with the Lincolnshire Archaeological Handbook.

The archaeological site work shall only be undertaken in accordance with the approved written scheme.

Reason: To ensure the preparation and implementation of an appropriate scheme of archaeological mitigation in accordance with national guidance contained in Section 12 of the National Planning Policy Framework, 2012. This issue is integral to the development and therefore full details need to be finalised prior to the commencement of works.

4 The applicant shall notify the Lincolnshire County Council Historic Environment Department in writing of the intention to commence at least fourteen days before the start of archaeological work required in connection with Condition 3 above in order to facilitate adequate monitoring arrangements.

Reason: To ensure satisfactory archaeological investigation and retrieval of archaeological finds in accordance with national guidance contained in Section 12 of the National Planning Policy Framework, 2012.

5 A copy of the final report required in connection with Condition 3 above shall be submitted within three months of the work being carried out to the Local Planning Authority and the Lincolnshire Historic Environment Record. The material and paper archive required as part of the written scheme of investigation shall be deposited with an appropriate archive in accordance with guidelines published in The Lincolnshire Archaeological Handbook.

Reason: To ensure satisfactory arrangements are made for the recording of possible archaeological remains in accordance with national guidance contained in Section 12 of the National Planning Policy Framework, 2012.

6 The development permitted by this planning permission shall be carried out in accordance with the approved Flood Risk Assessment (Version 1, dated September 2016) and in particular the following mitigation measure;

- Finished floor levels shall be set no lower than 3.30mAOD.

The mitigation measures shall be fully implemented prior to occupation and subsequently in accordance with timing/phasing arrangements embodied within the scheme, or within any other periods as may subsequently be agreed, in writing, by the local planning authority.

Reason: To ensure that the development does not increase the risk of flooding or be at risk of flooding.

This Condition is imposed in accordance with national guidance contained in Section 10 of the National Planning Policy Framework, 2012.

7 Large scale constructional drawings (at a scale of at least 1:10) of the following details shall be submitted to and be approved by the Local Planning Authority and no work shall commence in advance of that approval:
(i) windows
(ii) doors

Reason:Further detail needs to be submitted in support of the application to address the particular requirements of the development of listed buildings.
This Condition is imposed in accordance with national guidance contained in Section 12 of the National Planning Policy Framework, 2012.

8 Before the commencement of the development hereby permitted a schedule of external materials of construction of buildings and hard surfaced areas shall be submitted to and approved in writing by the Local Planning Authority. Samples shall be provided as may be required by the Local Planning Authority of the materials in the schedule and the use of such samples shall be approved in writing by the Local Planning Authority. The development shall be constructed in accordance with the schedule and samples so approved.

Reason: Further detail needs to be submitted in support of the application to ensure that the Local Planning Authority retains control over the external materials of construction of the development in the interests of the appearance of the development, and the character and historic integrity of the listed building.
This Condition is imposed in accordance with Policy SG14 of the South Holland Local Plan 2006 and national guidance contained in Section 12 of the National Planning Policy Framework, 2012.

9 Details of the design and positions of all external boxes for gas and electricity supplies and of any gas flues and soil vent pipes shall be submitted to and approved in writing by the Local Planning Authority before the commencement of the development hereby permitted and there shall be no variation from the details so approved.

Reason: To ensure that the Local Planning Authority retains control over these details of the development in the interests of the appearance of the development, and the character and historic integrity of the listed building.
This Condition is imposed in accordance with Policy SG14 of the South Holland Local Plan 2006, and national guidance contained in Section 12 of the National Planning Policy Framework, 2012.

10 Prior to their installation full details of the proposed roof light(s) shall be submitted to and approved in writing by the Local Planning Authority. The roof light(s) shall be installed in accordance with the approved details and thereafter so maintained.

Note: The applicant is advised that a flush fitting rooflight of traditional design, having a

slim metal frame would be appropriate.

Reason: To ensure that the Local Planning Authority retains control over these details of the development in the interests of the appearance of the development, and the character and visual amenity of this part of the Conservation Area in which it is set.
This Condition is imposed in accordance with Policy SG14 of the South Holland Local Plan, 2006 and national guidance contained in Section 12 of the National Planning Policy Framework, 2012.

11 The rainwater goods utilised in the development hereby permitted shall be coloured black and of metal construction and thereafter so maintained.

Reason: In the interests of the character, appearance and setting of the listed building and the character and visual amenity of this part of the Conservation Area in which it is set.
This Condition is imposed in accordance with Policy SG14 of the South Holland Local Plan, 2006 and national guidance contained in Section 12 of the National Planning Policy Framework, 2012.

12 The guttering to the development hereby permitted shall be fixed to the external walls by means of gutter spikes/rise and fall brackets and no fascia boarding shall be used.

Reason: In the interests of the architectural composition and appearance of the development and the character and visual amenity of the listed building and this part of the Conservation Area in which it is set.
This Condition is imposed in accordance with Policy SG14 of the South Holland Local Plan, 2006 and national guidance contained in Section 12 of the National Planning Policy Framework, 2012.

Notes:

The Local Planning Authority has acted positively and proactively in determining this application by assessing it against all material considerations, including national guidance, planning policies and representations that have been received during the public consultation exercise, and subsequently determining to grant planning permission.

This decision notice, the relevant accompanying report and the determined plans can be viewed online at http://planning.sholland.gov.uk/OcellaWeb/planningSearch

The development hereby permitted will require the provision of a new vehicular access crossing. Applicants are requested to contact the Local Highway Authority's Divisional Office at Pode Hole - (via call centre Tel: 01522 782070) prior to the commencement of any works within the public highway.

South Holland District Council

BUILDING REGULATIONS:
This decision refers only to planning permission as granted under the Town and Country Planning Act 1990. The works that you are proposing may also require Building Regulations and this planning permission does not give authority under Building Regulations to commence work. Please contact the Building Control section for further information on 01775 764557 or bcadmin@sholland.gov.uk

RIGHTS OF APPEAL

Appeals to the Secretary of State

If you are aggrieved by the decision of your Local Planning Authority to refuse permission for the proposed development or grant consent subject to conditions, then you can appeal to the Secretary of State under Section 78 of the Town and Country Planning Act 1990 or Section 20 of the Planning (Listed Building and Conservation Areas) Act 1990.

Timescales for appealing

The deadlines for appeals are calculated from the **date of decision** and are as follows for the types of applications below:

12 Weeks	6 Months	8 Weeks
Householder Applications	Planning Permission	Consent to Display Adverts
Minor Commercial Development	Listed Building Consent	
Agricultural Determinations	Other Prior Approval Applications	
Householder Prior Approval Applications		

Enforcement Notices

If an enforcement notice was served prior to the planning application being determined then the deadline for appealing is 28 days from the date of the **planning refusal**

If an enforcement notice is served after the planning application is determined then the deadline for appealing is 28 days from the date of the **enforcement notice** OR **the timescales stated above for each application type** from the date of the planning refusal - whichever is sooner.

All appeals must be made using an Appeal Form which you can get from The Planning Inspectorate at Temple Quay House, 2 The Square, Bristol, BS1 6PN (tel: 0303 444 5000) or you can submit your appeal online at:

http://www.planningportal.gov.uk/planning/appeals/online/makeanappeal

The Secretary of State can allow a longer period for giving notice of an appeal but he will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.

The Secretary of State need not consider an appeal if it seems to him that the Local Planning Authority could not have granted planning permission for the proposed development or could not have granted it without the conditions it imposed, having regard to the statutory requirements, to the

provisions of the development order and to any directions given under the order. In practice the Secretary of State does not refuse to consider appeals solely because the Local Planning Authroity based its decision on a direction given by him.

Purchase Notices

If either the Local Planning Authority or the Secretary of State refuses permission to develop land or grant it subject to conditions the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor can he render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.

In these circumstances the owner may serve a purchase notice on the Council in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of the Part VI of the Town and Country Planning Act 1990 or Section 32 of the Planning (Listed Building and Conservation Areas) Act 1990.

Compensation

In certain circumstances compensation may be claimed from the Local Planning Authority if permission is refused or granted subject to conditions by the Secretary of State on appeal or on reference of the application to him.

These circumstances are set out in Section 114 and related provisions of the Town and Country Planning Act 1990 and Section 27 of the Planning (Listed Building and Conservation Areas) Act 1990.
