Roxburgh

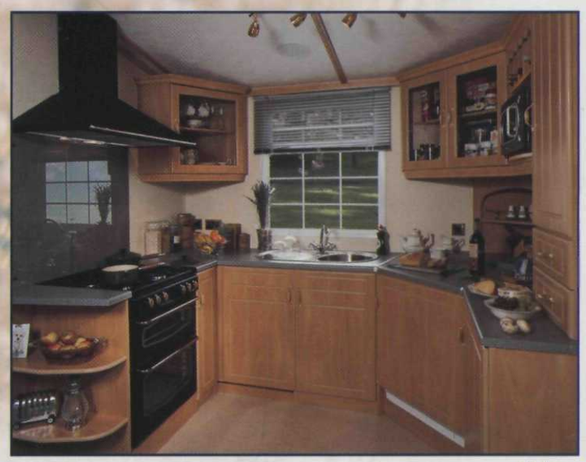

Our top model the Roxburgh 382b, is traditionally appointed with the splendour of a country retreat, loose armchairs sit around the substantial fireplace with its flame effect electric fire. Included in the stylish kitchen, are separate integral fridge and freezer units, microwave, and feature oven with overhead extractor and matching canopy.

"An Opulent Experience awaits you"

As you would expect in a model of this standing, white Georgian style UPVC double glazed windows and doors, extra insulation, wet system radiators and lagged exterior pipework are all part of the comprehensive specification.
