| B | PROPOSED BUILDING RESIZED | DEC 22 |

**DO NOT SCALE FROM THIS DRAWING**

This drawing is the property of the author. The contents including the design and details are to be regarded as confidential and are not to be disclosed to any person other than those to whom it is directed. No reproduction can be undertaken by anybody without the written permission of the author. Any breach of this condition will be subject to legal action. Any discrepancies or omissions in the drawings or specification must be reported to the author before any work is put in hand. Figured dimensions are to be taken in preference to scaled dimensions. Any variations from the drawings must be agreed with the author before any work is put in hand. All dimensions are in millimetres unless otherwise stated. The Contractor is to visit the site and be responsible for taking all dimensions necessary for the proper execution of the works. The Contractor is to be responsible for all temporary bracing and propping necessary to support new and existing structures during alterations and construction. The Contractor is to be responsible for the stability and safety of the works during construction and for any method of construction adopted. The Contractor is to be responsible for obtaining all necessary approvals for temporary works. The Contractor is to be responsible for the adequacy of foundations and ground conditions. Any inconsistencies between the drawings and the specification must be reported to the author before any work is put in hand. The Contractor is to be responsible for checking all dimensions on site before any work is put in hand or any materials or components are ordered. Any discrepancies are to be reported to the author before any work is put in hand. The Contractor is to be responsible for ensuring that all work complies with the Building Regulations and all other relevant statutory requirements. The Contractor is to be responsible for obtaining all necessary approvals from the Local Authority and other statutory bodies. The Contractor is to be responsible for ensuring that all work complies with the requirements of the Party Wall etc. Act 1996, when applicable. The Contractor is to be responsible for ensuring adequate insurance cover is in force before any work is put in hand
